The Murfreesboro Housing Authority has converted 150 units of public housing to RAD Project Based Rental Assistance (PBRA) as of September 30, 2021. The conversion to RAD PBRA and the redevelopment of the property has included master planning, rezoning, demolition and redevelopment of the existing properties with new construction as follows:

- Phase I: RAD PBRA conversion completed; development known as Oakland Development I, LP is currently under construction for 76 units with anticipated completion scheduled for March 31, 2021.
- Phase II: RAD PBRA conversion completed; development will be known as Oakland Court Phase II, LP; the site is under construction with anticipated completion date of 12/31/2022. The housing assistance for the development known as the Mercury development, 74 units, will be transferred to Phase II and those residents will be relocating to the new development.
- Phase III: The Parkside development is currently in the process of converting to RAD PBRA with an anticipated closing date of June, 2022. The 46 units will be demolished and rebuilt on the 2.6 acres on Castle & Vaughn Streets. The site has recently undergone rezoning from RM-16 to a PUD, Planned Unit Development. The CHAP has been received and now working on receiving the RCC.

The Parkside site is located in a minority concentrated area, however due to the high cost of property in the City of Murfreesboro, it is most advantageous for MHA to rebuild on the site to provide affordable housing to the citizens of Murfreesboro. The site complies with the site selection requirements set forth at [[24 CFR § 983.57 | Appendix III of PIH-Notice H2019-09/PIH 2019-23 (HA)]]]. The site is suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, Executive Order 11063, and HUD regulations issued pursuant thereto. In conducting its review of site selection for the proposed project, the PHA completed a review with respect to accessibility for persons with disabilities and the proposed site is consistent with disabilities and the proposed site is consistent with applicable accessibility standards under the Fair Housing Act, Section 504, and the ADA.

- Phase IV: MHA has applied for 127 Faircloth Units to redevelop the Mercury site. The site is located in a minority concentrated area, however due to the high cost of property in the City of Murfreesboro, it is most advantageous for MHA to redevelop the 15 acres and build additional affordable housing on the property. The site currently had public housing on the site, however the assistance was transferred to the Oakland Phase II site, so the Mercury site could be redeveloped. The site is in an area of the City that is undergoing commercial redevelopment and with the redevelopment of the site for affordable housing, will further enhance the area that private developers are working to redevelop residential areas as well.

The site complies with the site selection requirements set forth at [[24 CFR § 983.57 | Appendix III of PIH-Notice H2019-09/PIH 2019-23 (HA)]]]. The site is suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, Executive Order 11063, and HUD regulations issued pursuant thereto. In conducting its review of site selection for the proposed project, the PHA completed a review with respect to accessibility for persons with disabilities and the proposed site is consistent with disabilities and the proposed site is consistent with applicable accessibility standards under the Fair Housing Act, Section 504, and the ADA.

The redevelopment of the properties will all depend on funding through LITHC, loans, and private funds through MHA affiliate non-profits and capital funding. MHA will continue to seek out other properties that would be suitable for affordable housing opportunities by using a combination of funding sources as available. MHA will also apply for additional Faircloth units that are available in order to maximize the number of subsidized housing units that MHA can provide to the low-income population.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or X Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning 04/2022, in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.
7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.
8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
 10. In accordance with 24 CFR § 5.105(a)(2), HUD's Equal Access Rule, the PHA will not make a determination of eligibility for housing based on sexual orientation, gender identify, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.
 11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
 12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
 13. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
 14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
 15. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
 16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
 17. The PHA will keep records in accordance with 2 CFR 200.333 and facilitate an effective audit to determine compliance with program requirements.
 18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
 19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.
 20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
 21. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.

9.0 Managing the Waiting List

9.1 *Opening and Closing the Waiting List*

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 *Organization of the Waiting List*

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contact between the Murfreesboro Housing Authority and the applicant will be documented in the applicant file.

9.3 *Families Nearing the Top of the Waiting List*

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Murfreesboro Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they desire.

9.4 *Purging the Waiting List*

The Murfreesboro Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Murfreesboro Housing Authority has current information, i.e., applicant's address, family composition, income category, and preferences.

9.5 *Removal of Applicants From the Waiting List*

The Murfreesboro Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;
- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 *MISSED APPOINTMENTS*

All applicants who fail to keep a scheduled appointment with the Murfreesboro Housing Authority will be sent a notice of termination of the process for eligibility.

The Murfreesboro Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Murfreesboro Housing Authority will work closely with the family to find a more suitable time.

9.7 *Notification of Negative Actions*

Any applicant whose name is being removed from the waiting list will be notified by the Murfreesboro Housing Authority, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Murfreesboro Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Murfreesboro Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An

Attachment 1

example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 Tenant Selection and Assignment Plan

10.1 Preferences

The Murfreesboro Housing Authority will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities. Each preference is assigned a point value to determine placement on the waiting list.

- A. Working, elderly or disabled families:** In order to bring higher income families into public housing, the PHA will establish a preference for working families, where the head, spouse, co-head, or sole member is employed at least 20 hours per week. As required by HUD, families where the head, spouse, co-head, or sole member is a person 62 or older, or is a person with disabilities will also be given the benefit of the working preference [24 CFR 960.206(b)(2)]. This preference will be assigned 5 points.
- B. Singles Preference:** All families with children, elderly families and disabled families will have an admission preference over "other singles". "Other singles" denotes a one-person household in which the individual member is neither elderly, disabled, nor displaced by government action. Such applicants will be placed on the waiting list in accordance with their preferences, but cannot be selected for assistance before any one or two person elderly, disabled or displaced family regardless of local preference. However, an individual who is working at least 20 hours per week will be assigned 4 points.
- C. Involuntary displaced person(s):** Involuntarily displaced applicants are applicants who have been involuntarily displaced and are not living in standard, permanent replacement housing, or will be involuntarily displaced within no more than six months from the date of preference status certification by the family.

Families are considered to be involuntarily displaced if they are required to vacate housing as a result of one of the following situations:

1. A disaster (fire, flood, earthquake, etc.) that has caused the unit to be uninhabitable.
2. Federal, state or local government action related to code enforcement, public improvement or development.
3. Action by a housing owner which is beyond an applicant's ability to control, and which occurs despite the applicant's having met all previous conditions of occupancy, and is other than a rent increase.
 - a. If the owner is an immediate family relative and there has been no previous rental agreement and the applicant has been part of the owner's family immediately prior to application, the applicant will not be considered involuntarily displaced.
 - b. For purposes of this definitional element, reasons for an applicant's having to vacate a housing unit include, but are not limited to:
 - Conversion of an applicant's housing unit to non-rental or non-residential use;
 - Closure of an applicant's housing unit for rehabilitation or non-residential use;

Attachment 1

- Notice to an applicant that he/she must vacate a unit because the owner wants the unit for the owner's personal or family use or occupancy;
 - Sale of a housing unit in which an applicant resides under an agreement that the unit must be vacant when possession is transferred; or
 - Any other legally authorized act that results, or will result, in the withdrawal by the owner of the unit or structure from the rental market.
4. Actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family.

The actual or threatened violence must have occurred within the past 30 days or be of a continuing nature.

An applicant who lives in a violent neighborhood or is fearful of other violence outside the household is not considered involuntarily displaced.

To qualify for this preference, the abuser must still reside in the unit from which the victim was displaced. The applicant must certify that the abuser will not reside with the applicant unless the PHA gives prior written approval.

If the abuser returns to the family without approval of the PHA, the PHA will deny or terminate assistance for breach of certification.

The PHA will take precautions to ensure that the new location of the family is concealed in cases of domestic abuse.

5. To avoid reprisals because the family provided information on criminal activities to a law enforcement agency and, after a threat assessment, the law enforcement agency recommends rehousing the family to avoid or reduce risk of violence against the family.

The family must be part of a Witness Protection Program, or HUD Office or law enforcement agency must have informed the PHA that the family is part of a similar program.

The PHA will take precautions to ensure that the new location of the family is concealed in cases of witness protection.

6. By hate crimes if a member of the family has been the victim of one or more hate crimes, and the applicant has vacated the unit because of the crime or the fear of such a crime has destroyed the applicant's peaceful enjoyment of the unit.

A hate crime is actual or threatened physical violence or intimidation that is directed against a person or his property and is based on the person's race, color, religion, sex, national origin, disability or familial status including sexual orientation and occurred within the last 30 days or is of a continuing nature.

7. Displacement by non-suitability of the unit when a member of the family has a mobility or other impairment that makes the person unable to use critical elements of the unit and the owner is not legally obligated to make changes to the unit.

Critical elements are:

- a. Entry and egress of unit and building;
 - b. A sleeping area;
 - c. A full bathroom;
 - d. A kitchen if the person with a disability must do their own food preparation.
8. Due to HUD disposition of a multifamily project under Section 203 of the Housing and Community Development Amendments of 1978.

Definition of Standard Replacement Housing

In order to receive the displacement preference, applicants who have been displaced must not be living in "standard, permanent replacement housing".

Standard replacement housing is defined as housing that is decent, safe and sanitary according to Housing Quality Standards, that is adequate for the family size according to Housing Quality Standards, and that the family is occupying pursuant to a written or oral lease or occupancy agreement.

Standard replacement housing does not include transient facilities, hotels, motels, temporary shelters, and (in the case of victims of Domestic Violence) housing occupied by the individual who engages in such violence. It does not include any individual imprisoned or detained pursuant to state law or an Act of Congress. Shared housing with family or friends is not considered temporary and is considered standard replacement housing. Applicants qualifying for the Involuntary Displacement preference will be assigned 3 points.

D. Substandard Housing Preference: Applicants who live in substandard housing are families whose dwelling meets one or more of the following criteria provided that the family did not cause the condition:

- Is dilapidated, and does not provide safe, adequate shelter; has one or more critical defects or a combination of defects requiring considerable repair; endangers the health, safety, and well-being of the family.
- Does not have operable indoor plumbing.
- Does not have usable flush toilet in the unit for the exclusive use of the family.
- Does not have usable bathtub or shower in unit for exclusive family use.
- Does not have adequate, safe electrical service.
- Does not have an adequate, safe source of heat.
- Should, but does not, have a kitchen (Single Room Occupancy (SRO) Housing is not substandard solely because it does not contain sanitary and/or food preparation facilities in the unit).
- Has been declared unfit for habitation by a government agency.

Applicants living in Public Housing or publicly assisted housing shall not be denied this preference if unit meets the criteria for the substandard preference.

An applicant who is a "Homeless Family" is considered to be living in substandard housing. "Homeless Families":

- Lack a fixed, regular and adequate nighttime residence; AND
- Have a primary nighttime residence that is a supervised public or private shelter providing temporary accommodations (including welfare hotels, congregate shelters and transitional

Attachment 1

housing), or an institution providing temporary residence for individuals intended to be institutionalized, or a public or private place not ordinarily used as a sleeping accommodation for human beings.

Applicants qualifying for the Substandard Housing preference will be awarded 2 points.

- D. Rent Burden Preference:** Families paying more than 50% of their income for rent and utilities for at least 90 days commencing before they were selected from the Waiting List and continuing through the verification of preference will receive this preference. For purposes of this preference, "Family Income" is Gross Monthly Income as defined in the regulations. This preference will be assigned 1 point.

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, preference B families will be offered housing before any families in preference C, and preference C families will be offered housing before any families in preference D.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled (Mixed Population Developments): Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered to families residing in other developments who may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority's expense) if, at a future time, a family requiring an accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

10.1.1 Housing for federally declared disaster Victims

In the case of a federally declared disaster, the Murfreesboro Housing Authority reserves the right for its Executive Director to suspend its preference system for whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does

Attachment 1

not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.

10.2 Assignment of Bedroom Sizes

The following guidelines will determine each family's unit size without overcrowding or overhousing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Murfreesboro Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex **will** share a bedroom; however, applicants with two (2) children of the same sex over the age of ten (10) or greater will be entitled to separate bedrooms.
- B. Children of the opposite sex, both under the age of **five (5)**, will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster adults and/or foster children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The Murfreesboro Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned.

Attachment 1

In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for 2 years or until the family size changes, whichever may occur first.

- B. Units larger than assigned through the above guidelines. A family may request a larger unit size than the guidelines allow. The Murfreesboro Housing Authority will allow the larger size unit if the family provides a verified medical or disability related need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30-calendar day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- E. In no event will a single person who is not an elderly person or a displaced person, or a person with disabilities be provided with a unit that is larger than one-bedroom.

10.3 Selection From the Waiting List

The Murfreesboro Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If admissions of extremely low-income families to the Murfreesboro Housing Authority's voucher program during a fiscal year exceed the 75% minimum targeting requirement for the Murfreesboro Housing Authority's voucher program, such excess shall be credited (subject to the limitations in this paragraph) against the Murfreesboro Housing Authority's basic targeting requirement for the same fiscal year.

The fiscal year credit for voucher program admissions that exceeds the minimum voucher program targeting requirement shall not exceed the lower of:

- A. 10% of public housing waiting list admissions during the Murfreesboro Housing Authority fiscal year;
- B. 10% of waiting list admissions to the Murfreesboro Housing Authority's Section 8 tenant-based assistance program during the PHA fiscal year; or
- C. The number of qualifying low-income families who commence occupancy during the fiscal year of Murfreesboro Housing Authority public housing units located in census tracts with a poverty rate of 30% or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

Attachment 1

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is the Murfreesboro Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Murfreesboro Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 Deconcentration Incentives

The Murfreesboro Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

10.6 Offer of a Unit

When the Murfreesboro Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Murfreesboro Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer by e-mail or via first class mail. The family will be given five (5) calendar days from the date the family was contacted by telephone or from the date the letter was mailed to contact the Murfreesboro Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. The family will have **three 3** calendar days to view and accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Murfreesboro Housing Authority will send the family a letter documenting the offer and the rejection.

10.7 Rejection of Unit

If in making the offer to the family the Murfreesboro Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Murfreesboro Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected. After two (2) offer rejections the applicant will be removed from the waiting list and must reapply.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 Acceptance of Unit

The family will be required to sign a lease that will become effective no later than three (3) calendar days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process. The orientation shall include the resident's rights and responsibilities under the Violence Against Women Act.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

Attachment 1

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Murfreesboro Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to one hundred dollars (\$100):

In exceptional situations, the Murfreesboro Housing Authority reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

4.0 Managing the Waiting List (Section 8)

4.1 *Opening and Closing the Waiting List*

Opening of the waiting list will be announced via public notice that applications for Section 8 will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation, and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program, and that such applicants will not lose their place on other waiting lists when they apply for Section 8. The notice will include the Fair Housing logo and slogan and otherwise be in compliance with Fair Housing requirements.

Closing of the waiting list will be announced via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in a local newspaper of general circulation, and also by any available minority media.

4.2 *Taking Applications*

Families wishing to apply for the Housing Choice Voucher Program will be required to complete an application for housing assistance on-line only. Applications will be accepted at any time while the application process is open on-line.

Computers are available for on-line applications at the office of the Housing Authority located at **415 N. Maple Street, Murfreesboro, TN** during regular business hours.

Applications are taken to compile a waiting list. Due to the demand for Section 8 assistance in the Murfreesboro Housing Authority jurisdiction, the Murfreesboro Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

When the waiting list is open, completed applications will be accepted from all applicants. The Murfreesboro Housing Authority will later verify the information in the applications relevant to the applicant's eligibility, admission, and level of benefit.

Applicants will be provided the opportunity to complete the information on form HUD-92006, Supplement to Application for Federally Assisted Housing at the time the full application is completed. The form gives applicants the option to identify an individual or organization that the Housing Authority may contact and the reason(s) the individual or organization may be contacted. The applicants, if they choose to provide the additional contact information, must sign and date the form.

If the applicant chooses to have more than one contact person or organization, the applicant must make clear to the Housing Authority the reason each person or organization may be contacted. The Housing Authority will allow the applicant to complete a form HUD-92006 for each contact and indicating the reason the Housing Authority may contact the individual or organization. For example, the applicant may choose to have a relative as a contact for emergency purposes and an advocacy organization for assistance for tenancy purposes.

Attachment 1

Those applicants who choose not to provide the contact information should check the box indicating that they "choose not to provide the contact information" and sign and date the form.

Applications may be made on-line only when the waiting list is open. Interested applicants who do not have access to a computer, may come to the MHA's office located at 415 N. Maple Street where computers are available in the lobby.

The applicant will receive a receipt at the time a complete application has been submitted to the online system. Applicant is responsible for printing the receipt of filing.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list using a lottery system according to any preferences(s) for which they qualify once each application has been randomly assigned a number. If the applicant does not qualify for a preference, then they will be placed on the waiting list using a lottery system when the application is received by MHA.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Murfreesboro Housing Authority to make special arrangements to complete their application. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 711

All applicants and/or families already on a waiting list will be provided with the option of having their names placed on any and all open waiting lists maintained by the Murfreesboro Housing Authority. If the Murfreesboro Housing Authority adds new programs, such as a project-based voucher program, the Murfreesboro Housing Authority will notify existing participants and new applicants by utilizing the same means it would use in opening its waiting list under 24 CFR §982.206(a) such as by (1) advertising through local and minority newspapers and the internet; (2) local postings at the Murfreesboro Housing Authority, post offices, libraries, and community centers; and (3) outreach to social service organizations that may serve the same clientele that will be occupying the PBV units. Please note that the Murfreesboro Housing Authority will not notify each family on the tenant-based waiting list by individual notice.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information including name, address, phone number, family composition and family unit size, racial or ethnic designation of the head of household, income category, and information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list if deemed apparently eligible.

Upon receipt of the family's pre-application, the Murfreesboro Housing Authority will place the applicant on the waiting list and a preliminary determination of eligibility will not be made until a more formal application is made as the applicant nears the top of the waiting list through the lottery process. The Murfreesboro Housing Authority will notify the family in writing of the date and time of placement on the waiting list and the approximate amount of time before housing assistance may be offered. If the Murfreesboro Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

Attachment 1

An applicant is encouraged to report changes in their applicant status including changes in family composition, income, or preference factors. The Murfreesboro Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Murfreesboro Housing Authority will ensure that verification of all preferences, eligibility, suitability selection factors are current in order to determine the family's final eligibility for admission into the Housing Choice Voucher Program.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they so desire.

4.3 Organization of the Waiting List

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of preference and lottery selection.
- C. Any significant contact between the Murfreesboro Housing Authority and the applicant will be documented in the applicant file.

All files (applicant or participant) shall be retained for three years from the date the file is closed, whether this is due to the surrender of a housing choice voucher or the removal of a person from the waiting list, whichever is later.

Note: The waiting list cannot be maintained by bedroom size under current HUD regulations.

4.4 Families Nearing the Top of the Waiting List

When a family nears the top of the waiting list as selected by the lottery, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. Annual income must be verified within 60 calendar days of the issuance of a housing choice voucher. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Murfreesboro Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security Number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

4.5 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment in accordance with the paragraph below will be sent a notice of denial.

The Murfreesboro Housing Authority will allow the family to reschedule appointments for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities for good cause. When a good cause exists, the Murfreesboro

Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

4.6 *Purging the Waiting List*

The Murfreesboro Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents interested families. Purging also enables the Housing Authority to update the information regarding address, family composition, income category and preferences.

The purge shall consist of the Murfreesboro Housing Authority mailing via first class mail a form to be completed by the person on the waiting list and returned to the housing authority within a specified number of calendar days (15 calendar days). If the envelope is returned as undeliverable or if no response is received from the applicant within the specified time frame, the applicant shall be stricken from the waiting list. If the envelope is returned with a forwarding address on it, the housing authority shall mail the form to the new address, with a new deadline for response.

4.7 *Removal of Applicants From the Waiting List*

The Murfreesboro Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments;
- C. The applicant does not meet either the eligibility or screening criteria for the program; or
- D. The applicant has been issued a Housing Choice Voucher.

The reason for all removals from the waiting list shall be carefully documented in the applicant's file and retained for three years from the date the file is closed. If a family is removed from the waiting list for failure to respond, the Executive Director and/or the Section 8 Administrator may reinstate the family if it is determined that the lack of response was due to PHA error, or to circumstances beyond the family's control such as evidence of domestic situations, long-term hospitalization or other reasonable circumstances as determined by the PHA, with proper documentation regarding the event. The PHA allows a grace period of 30 calendar days after completion of the purge. Applicants who respond during this grace period may be reinstated.

4.8 *Grounds for Denial*

The Murfreesboro Housing Authority will deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Fail to respond to a written request for information or a request to declare their continued interest in the program;
- D. Fail to complete any aspect of the application or lease-up process;
- E. Have a family member who was evicted from federally assisted housing within the past three years because of drug-related criminal activity. The three-year limit is based on the date of such eviction, not the date the crime was committed.

Attachment 1

However, the Murfreesboro Housing Authority may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Murfreesboro Housing Authority; or
 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- F. Have a household member who is currently engaging in illegal use of a drug;
- G. Have a household member whose illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- H. Have a household member who has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of federally assisted housing;
- I. Have a household member who is subject to a lifetime registration requirement under a State sex offender registration program;
- J. Have a household member whose abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- K. Have a household member who is a fugitive felon, parole violator or person fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- L. Have a household member who is currently engaged in, or has engaged in the following during the last **three (3)** years before the projected date of admission:
1. Drug-related criminal activity;
 2. Violent criminal activity;
 3. Other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or
 4. Other criminal activity which may threaten the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the Murfreesboro Housing Authority (including a Murfreesboro Housing Authority employee or a Murfreesboro Housing Authority contractor, subcontractor or agent).

For purposes of this section, a household member is "currently engaged in" criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.

- M. Have a family member who violated any family obligations under previous participation in the program;
- N. Have a family member who has been evicted from federally assisted housing in the last three (3) years;
- O. Have a family member who has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- P. Currently owes rent or other amounts to the Murfreesboro Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act;
- Q. Have breached an agreement with Murfreesboro Housing Authority to pay amounts owed to the Housing Authority;

- R. Have engaged in or threatened abusive or violent behavior towards any Murfreesboro Housing Authority staff member or resident;
- S. New admissions of medical marijuana users are prohibited (this does not include FDA-approved marijuana synthetics). HUD has ruled that federal law preempts state law on this issue.

For denying an admission based on any criminal activity, an arrest record, alone, will not serve as sufficient evidence of criminal activity that can support an adverse admission decision. Before the Murfreesboro Housing Authority denies admission to an individual or household on the basis of criminal activity by a household member or guest, it will determine that the relevant individual actually engaged in such activity.

An arrest record can trigger an inquiry into whether there is sufficient evidence to determine that a person engaged in disqualifying criminal activity, but is not itself evidence on which to base a determination. The Murfreesboro Housing Authority can utilize other evidence, such as police reports detailing the circumstances of the arrest, witness statements, and other relevant documentation to assist them in making a determination that disqualifying conduct occurred. Reliable evidence of a conviction for criminal conduct that would disqualify an individual for tenancy may also be the basis for determining that the disqualifying conduct in fact occurred.

If the Murfreesboro Housing Authority denies admission to the Murfreesboro Housing Authority's Housing Choice Voucher program on the basis of a criminal record, the Murfreesboro Housing Authority will provide the person with the criminal record (i.e., the family member) and the applicant head of household with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record, in the procedures for the Informal Review Process for Applicants. The applicant will have **ten (10)** calendar days to dispute the accuracy and relevance of the record in writing. If the Murfreesboro Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

The fact that an applicant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission. The Authority will require verification in all cases where an applicant claims protection against an action proposed to be taken by the Authority involving such individual. Types of acceptable verifications are outlined in Section 17.2 of this Section 8 Administrative Plan, and must be submitted within 14 business days after receipt of the Housing Authority's written request for verification.

4.9 Notification of Negative Actions

Any applicant whose name is being removed from the waiting list will be notified by the Murfreesboro Housing Authority, in writing, that they have ten (10) business days, from the date of the written correspondence, to present mitigating circumstances or request an informal review in writing. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Murfreesboro Housing Authority's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the Murfreesboro Housing Authority will provide a reasonable accommodation. If the applicant indicates that they did not respond due to a disability, the Murfreesboro Housing Authority will verify that there is in fact a disability and that the accommodation they are requesting is necessary based on the disability. An example of a reasonable

accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

4.10 *Informal Review*

If the Murfreesboro Housing Authority determines that an applicant does not meet the criteria for receiving Section 8 assistance, the Murfreesboro Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Murfreesboro Housing Authority will describe how to obtain the informal review. The informal review process is described in Section 16.2 of this Plan.

5.0 *Selecting Families from the Waiting List*

5.1 *Waiting List Admissions and Special Admissions*

The Housing Authority may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Murfreesboro Housing Authority will use the assistance for those families. If this occurs, the Murfreesboro Housing Authority will maintain records demonstrating that these targeted housing choice vouchers were used appropriately. When one of these targeted vouchers turns over, the voucher shall be issued to applicants with the same specific characteristic as the targeted program describes.

5.2 *Preferences*

Consistent with the Murfreesboro Housing Authority Agency Plan, the Murfreesboro Housing Authority will select families based on the following preferences based on local housing needs and priorities. They are consistent with the Murfreesboro Housing Authority's Agency Plan and the Consolidated Plan that covers our jurisdiction.

Preference will be given to families who are being displaced due to the Murfreesboro Housing Authority's demolition of any development in the repositioning of the public housing to Rental Assistance Demonstration (RAD) platform above all any applicants. These families will not be placed on the waiting list or required to participate in the lottery. These preference holders will be issued a housing choice voucher as soon as one is available.

Should the COCC Shelter Plus Care Program being funded by a grant from H3ARC ever cease to be funded, Murfreesboro Housing Authority will allow those Shelter Plus Care Program Voucher holders in good standing to transfer over to the regular Murfreesboro Housing Authority's Housing Choice Voucher Program, provided funding is adequate. These families will not be placed on the waiting list or required to participate in the lottery. This preference will be placed above all other preferences as outlined in the Administrative plan with exception of any resident being displaced due to the RAD Redevelopment of the Murfreesboro Housing Authority public housing, who will take priority over a Shelter Plus Care participant.

Attachment 1

Applicants will be placed on the waiting list using a lottery system. Once each application has been randomly assigned a number, the applications will be placed on the waiting list in order of the assigned numbers and according to MHA's preferences.

- A. Elderly or persons with disabilities who are residents of Rutherford County.
(A person who has a disability is defined under the Social Security Act or Developmental Disabilities Care Act.)
- B. Applicants with an adult family member who is a resident of Rutherford County and employed in Rutherford County or the surrounding counties and employed full time (30 hours per week) and whose employment must have been held continuously for a minimum of six (6) months within the twelve (12) month period prior to the time the preference is claimed and if not current the employment was terminated solely due to an involuntary layoff of the employee by the employer. (Employed means where the head, spouse or sole member is employed by a third party for at least the minimum wage for a minimum of thirty (30) hours a week for a minimum of the six (6) months within the twelve month period prior to the time the preference is claimed.)
- C. Involuntary displaced person(s): Involuntarily displaced applicants are applicants who have been involuntarily displaced and are not living in standard, permanent replacement housing, or will be involuntarily displaced within no more than six months from the date of preference status certification by the family.

Families are considered to be involuntarily displaced if they are required to vacate housing as a result of one of the following situations:

1. A disaster (fire, flood, earthquake, etc.) that has caused the unit to be uninhabitable.
2. Federal, state or local government action related to code enforcement, public improvement or development.
3. Action by a housing owner which is beyond an applicant's ability to control, and which occurs despite the applicant's having met all previous conditions of occupancy, and is other than a rent increase.
 - a. If the owner is an immediate family relative and there has been no previous rental agreement and the applicant has been part of the owner's family immediately prior to application, the applicant will not be considered involuntarily displaced.
 - b. For purposes of this definitional element, reasons for an applicant's having to vacate a housing unit include, but are not limited to:
 - Conversion of an applicant's housing unit to non-rental or non-residential use;
 - Closure of an applicant's housing unit for rehabilitation or non-residential use;
 - Notice to an applicant that he/she must vacate a unit because the owner wants the unit for the owner's personal or family use or occupancy;
 - Sale of a housing unit in which an applicant resides under an agreement that the unit must be vacant when possession is transferred; or
 - Any other legally authorized act that results, or will result, in the withdrawal by the owner of the unit or structure from the rental market.
4. Actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family.

The actual or threatened violence must have occurred within the past 30 days or be of a continuing nature.

Attachment 1

An applicant who lives in a violent neighborhood or is fearful of other violence outside the household is not considered involuntarily displaced.

To qualify for this preference, the abuser must still reside in the unit from which the victim was displaced. The applicant must certify that the abuser will not reside with the applicant unless the PHA gives prior written approval.

If the abuser returns to the family without approval of the PHA, the PHA will deny or terminate assistance for breach of certification.

The PHA will take precautions to ensure that the new location of the family is concealed in cases of domestic abuse.

5. To avoid reprisals because the family provided information on criminal activities to a law enforcement agency and, after a threat assessment, the law enforcement agency recommends rehousing the family to avoid or reduce risk of violence against the family.

The family must be part of a Witness Protection Program, or HUD Office or law enforcement agency must have informed the PHA that the family is part of a similar program.

The PHA will take precautions to ensure that the new location of the family is concealed in cases of witness protection.

6. By hate crimes if a member of the family has been the victim of one or more hate crimes, and the applicant has vacated the unit because of the crime or the fear of such a crime has destroyed the applicant's peaceful enjoyment of the unit.

A hate crime is actual or threatened physical violence or intimidation that is directed against a person or his property and is based on the person's race, color, religion, sex, national origin, disability or familial status including sexual orientation and occurred within the last 30 days or is of a continuing nature.

7. Displacement by non-suitability of the unit when a member of the family has a mobility or other impairment that makes the person unable to use critical elements of the unit and the owner is not legally obligated to make changes to the unit.

Critical elements are:

- a. Entry and egress of unit and building;
 - b. A sleeping area;
 - c. A full bathroom;
 - d. A kitchen if the person with a disability must do their own food preparation.
8. Due to HUD disposition of a multifamily project under Section 203 of the Housing and Community Development Amendments of 1978. Involuntary displaced person(s): Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
- D. Any Applicant who does not meet the definitions in the above preference categories, A, B C, or is not receiving housing assistance under a federally subsidized housing program.
 - C. All other applicants not classified above will be given a lottery number.

The Murfreesboro Housing Authority will not deny a local preference, nor otherwise exclude or penalize a family in admission to the program, solely because the family resides in public housing.

5.2.1 Housing for Victims of a federally declared disaster

In the case of a federally declared disaster, the Murfreesboro Housing Authority reserves the right for its Executive Director to suspend its preference system for whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing

5.3 Selection from the Waiting List

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C, and so forth.

The lottery format will be utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income (unless a different target is agreed to by HUD), the Murfreesboro Housing Authority retains the right to skip higher income families on the waiting to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list, we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

Attachment 3 Strategy for Addressing Housing Needs

The MHA will continue our ongoing efforts to meet the specific needs of residents within the jurisdiction of the MHA as identified on pages 1 & 2 of Attachment 3. Although we will address all residents' needs, special emphasis will be directed towards the highest percentage needs such as the provision of small size bedroom units (1 & 2 bedroom sizes) for public housing families, and 1, 2 & 3 bedroom sizes for Section 8 families. Families with children represent the greatest percentage of applicants for both public housing and Section 8 programs, followed by elderly applicants and families with disabilities. Consideration will also be given to the fact that the majority of our applicants (82.03% Public Housing and 77.78% Section 8) are in the extremely low income group.

In addition, the MHA will continue to employ effective management and maintenance policies to minimize vacancies and turnover time.

Significant Amendment or Modification. Provide a statement on the criteria used for determining a significant amendment or modification to the 5-Year Plan.

MHA's definition of "Significant Amendment or Substantial Deviation" from its 5-Year and Annual Plan:

- Changes to rent or admissions policies or organization of the waiting list.
- Addition of non-emergency work items (items not included in the Annual Statement or 5-Year Action Plan) or a change in the use of replacement reserve funds under the Capital Fund.
- Any change with regard to demolition or disposition, designation, or homeownership programs or conversion activities.

An exception for this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements.

As part of the Rental Assistance Demonstration (RAD), Murfreesboro Housing Authority is redefining the definition of a substantial deviation from the PHA Plan to exclude the following RAD-specific items:

- The decision to convert to either Project Based Rental Assistance or Project Based Voucher Assistance;
- Changes to the Capital Fund Budget produced as a result of each approved RAD Conversion, regardless of whether the proposed conversion will include use of additional Capital Funds;
- Changes to the construction and rehabilitation plan for each approved RAD conversion; and Changes to the financing structure for each approved RAD conversion.

20.2A VAWA PROTECTIONS

Under the Violence Against Women Act (VAWA), public housing residents have the following specific protections, which will be observed by the Murfreesboro Housing Authority:

An applicant for assistance or a tenant/participant receiving assistance under a covered housing provider may not be denied admission to, denied assistance under, terminated from participation in, or evicted from housing on the basis or as a direct result of the fact that the applicant or tenant/participant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation or occupancy.

An incident or incidents or actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. This is also true even if the household member is not a signatory to the lease. Under VAWA, the Murfreesboro Housing Authority is granted the authority to bifurcate the lease.

The Housing Authority will honor court orders regarding the rights of access or control of the property.

There is no limitation on the ability of the Housing Authority to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims.

There is no prohibition on the Housing Authority evicting if it "can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant's (victim's) tenancy is not terminated." An actual and imminent threat consists of a physical danger that is real, would occur within an immediate timeframe, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

The Murfreesboro Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. Types of acceptable verifications are outlined below, and must be submitted within 14 calendar days after receipt of the Housing Authority's written request for verification.

20.2B VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING

The Murfreesboro Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. *The request for verification shall take the form of a written request by the Murfreesboro Housing Authority to the claimant.*

- A. ***Requirement for Verification.*** The law allows, but does not require, the Murfreesboro Housing Authority to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. The Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. ***HUD-approved form (HUD-5382)*** - By providing to the Housing Authority a written certification, on the form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
2. ***Other documentation*** - by providing to the Housing Authority documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
3. ***Police or court record*** - by providing to the Housing Authority a federal, state, tribal, territorial, or local police or court record describing the incident or incidents in question.

- B. ***Time allowed to provide verification/failure to provide.*** An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by the Housing Authority to provide verification, must provide such verification within 14 calendar days after receipt of the written request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action. The submission of false information may be the basis for the termination of assistance or for eviction.

- C. ***Managing conflicting documentation.*** In cases where the Murfreesboro Housing Authority receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the Murfreesboro Housing Authority may determine which is the true victim by requiring third-party documentation as described in 24 CFR 5.2007 and in accordance with any HUD guidance as to how such determinations will be made. The Murfreesboro Housing Authority shall honor any court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household.

20.2C CONFIDENTIALITY

All information provided under VAWA including the fact that an individual is a victim of domestic violence, dating violence, or stalking, shall be retained in confidence and shall not be entered into any shared database or provided to any related entity except to the extent that the disclosure is:

- A. Requested or consented to by the individual in writing;
- B. Required for use in an eviction proceeding; or
- C. Otherwise required by applicable law.

The Murfreesboro Housing Authority shall provide its tenants notice of their rights under VAWA including their right to confidentiality and the limits thereof.

Protections for Tenants

If you are receiving assistance under the programs administered by the Murfreesboro Housing Authority, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under the programs administered by the Murfreesboro Housing Authority solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

Removing the Abuser or Perpetrator from the Household

¹ Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Murfreesboro Housing Authority may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If Murfreesboro Housing Authority chooses to remove the abuser or perpetrator, Murfreesboro Housing Authority may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, Murfreesboro Housing Authority must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, Murfreesboro Housing Authority must follow Federal, State, and local eviction procedures. In order to divide a lease, Murfreesboro Housing Authority may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

Moving to Another Unit

Upon your request, Murfreesboro Housing Authority may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, Murfreesboro Housing Authority may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking. If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

(2) You expressly request the emergency transfer. Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a

victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

Murfreesboro Housing Authority will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

Murfreesboro Housing Authority's emergency transfer plan provides further information on emergency transfers, and HP must make a copy of its emergency transfer plan available to you if you ask to see it.

Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

Murfreesboro Housing Authority can, but is not required to, ask you to provide documentation to "certify" that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from Murfreesboro Housing Authority must be in writing, and Murfreesboro Housing Authority must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. Murfreesboro Housing Authority may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to Murfreesboro Housing Authority as documentation. It is your choice which of the following to submit if Murfreesboro Housing Authority asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by Murfreesboro Housing Authority with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.

- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, "professional") from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that HP has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, Murfreesboro Housing Authority does not have to provide you with the protections contained in this notice.

If Murfreesboro Housing Authority receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), Murfreesboro Housing Authority has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, Murfreesboro Housing Authority does not have to provide you with the protections contained in this notice.

Confidentiality

Murfreesboro Housing Authority must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

Murfreesboro Housing Authority must not allow any individual administering assistance or other services on behalf of Murfreesboro Housing Authority (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

Murfreesboro Housing Authority must not enter your information into any shared database or disclose your information to any other entity or individual. Murfreesboro Housing Authority, however, may disclose the information provided if:

- You give written permission to Murfreesboro Housing Authority to release the information on a time limited basis.
- Murfreesboro Housing Authority needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires Murfreesboro Housing Authority or your landlord to release the information.

VAWA does not limit Murfreesboro Housing Authority's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, Murfreesboro Housing Authority cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if Murfreesboro Housing Authority can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

- 1) Would occur within an immediate time frame, and
- 2) Could result in death or serious bodily harm to other tenants or those who work on the property.

If Murfreesboro Housing Authority can demonstrate the above, Murfreesboro Housing Authority should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

Smoke-Free Housing Policy

The Department of Housing and Urban Development (HUD) has implemented a ruling that requires all Public Housing Authorities (PHA) administering a public housing program to implement a smoke-free policy. The rule specifically requires each PHA to implement a policy prohibiting lit tobacco products and all smoking in any interior common areas, including but not limited to community rooms, community bathrooms, lobbies, reception areas, hallways, electrical rooms and closets, storage rooms, offices and within all living units in public housing and PHA administration office buildings, maintenance shops and vehicles. (In brief a smoke-free policy for ALL public housing indoor areas.) MHA is also prohibiting electronic nicotine delivery systems (ENDS) and is including it in this policy's definition of Smoking. This policy extends to all outdoor areas up to twenty-five (25) feet from any type of housing, (doors/entrances, windows and porches) and administrative office buildings and maintenance facilities.

HUD is requiring implementation of smoke-free public housing to improve indoor air quality in housing, to benefit the health of public housing tenants and public housing staff, reduce the risk of catastrophic fires, and lower overall maintenance cost. This policy applies to all tenants, tenant's families, tenant's guest, visitors, contractors, service personnel, and employees.

Purpose of Policy

1. To mitigate the irritation and known health effects of secondhand smoke. Smoking or exposure to secondhand smoke (sometimes called environmental tobacco smoke, (ETS), causes premature death from respiratory disease, cancer or heart disease. Smoking is the number one cause of preventable disease in the United States.
2. According to the EPA, secondhand smoke, (ETS), causes disease and premature death in children and adults who do not smoke. People with chronic diseases such as asthma or cardiovascular disease are particularly vulnerable to the effects of secondhand smoke, (ETS). Secondhand smoke, (ETS), lingers in the air for hours after cigarettes have been extinguished and can migrate between apartments in multifamily buildings.
3. To allow all administrative and maintenance staff the opportunity to perform their job duties in an environment that is smoke free.

4. Minimize the maintenance, cleaning, painting and redecorating cost associated with smoking.
5. Decrease the risk of smoking-related fires to property and personal safety. Fires started by lighted tobacco products, principally cigarettes, constitute the leading cause of residential fire deaths.

2. Tenants are responsible for the actions of their household, guests and visitors. Any tenant including the members of their household, guest, or visitors will be considered in violation of the lease if found smoking within twenty-five (25) feet of any Murfreesboro Housing Authority (MHA) owned buildings, apartments, houses or in any place that is designated as a non-smoking area.

A copy will be retained in the tenant file. Any existing tenant who refuses to execute the Lease Addendum in a timely manner prior to the date of going Smoke Free will receive a written warning and if still refuse to sign then eviction proceedings will be initiated. All current tenants who smoke will be provided with information/resources about cessation programs upon their request.

Disclaimers

1. The Smoke Free Housing Policy does not mean that tenants and/or employees will have to quit smoking in order to live and/or work at the Murfreesboro Housing Authority developments and offices or drive its vehicles.
2. Murfreesboro Housing Authority is not a Guarantor of a Smoke Free Environment. The adoption of the Smoke Free Housing Policy does not make the Murfreesboro Housing Authority or any of its Board of Commissioners, officers, employees or agents the guarantor of the tenant's health or of the smoke free condition of the non-smoking portions of the developments. MHA will take reasonable steps to enforce the Smoke Free Housing Policy; however, MHA is not required to take steps in response to smoking unless the MHA staff has actual knowledge of the smoking and the identity of the responsible tenant.
3. Tenant acknowledges that the MHA's adoption of a no-smoking policy and the efforts to designate the rental units as no-smoking do not in any way change the standard of care that the MHA or managing agent would have to a tenant household to render buildings and premises designated as no-smoking any safer, more habitable, or improved in terms of air quality standards than any other rental premises. MHA

specifically disclaims any implied or express warranties that the building, common areas, or tenant's premises will have any higher or improved air quality standards than any other rental property. MHA cannot and does not warranty or promise that the rental premises or common areas will be free from secondhand smoke.

4. Tenant acknowledges that MHA's ability to police, monitor, or enforce the agreements of this No-Smoking Policy is dependent in significant part on voluntary compliance by Tenant and Tenant's guest.
5. MHA shall take reasonable steps to enforce the no-smoking policy. MHA is not required to take steps in response to smoking unless MHA knows of said smoking or has been given written notice of said smoking.
6. Tenants with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that MHA does not assume any higher duty of care to enforce this No-Smoking Policy than any other MHA's obligation under the Lease.
7. Although MHA has adopted a Smoke Free Housing Policy, it cannot guarantee that smoking will never happen.
8. In apartments that used to allow smoking, the effects of that smoking may still linger.

MURFREESBORO HOUSING AUTHORITY**PHA Plan Amendment**

This plan amendment is intended as an attachment to the Murfreesboro's 2022 Annual Plan and was attached to the 2022-2026 Five Year Plan that covers all the required elements for Rental Assistance Demonstration (RAD).

Rental Assistance Demonstration (RAD)

The Murfreesboro Housing Authority amended its 5-Year PHA Plan in 2019/20 and is including with the 2022-2026 Five Year Plan because it has been awarded its third and final RAD CHAP -- a Commitment to enter into a Housing Assistance Contract under the Rental Assistance Demonstration (RAD) program. The third CHAP award is for the Development known as Parkside. As a result of the final CHAP, the Murfreesboro Housing Authority will have converted all the existing public housing to Project-Based Rental Assistance under the guidelines of PIH Notice 2012-32, REV-3, and PIH Notice 2019-09 Rev. 4 and any successor Notices. Upon conversion to Project-Based Rental Assistance, the Authority or successor owner will adopt the resident rights, participation, waiting list and grievance procedures listed in Section 1.7.B and 1.7.C of PIH Notice 2012-32, REV-3. These resident rights, participation, waiting list and grievance procedures are appended to this Attachment. Additionally, the Murfreesboro Housing Authority is currently compliant with all fair housing and civil rights requirements and is currently not under a Voluntary Compliance Agreement.

The Murfreesboro Housing Authority has requested a reservation for 127 Faircloth limit units to be built on the 15+ acres of property known as the current Mercury Development whose assistance was transferred to the Oakland Phase II property. The site is in an area of the City that is undergoing commercial redevelopment and with the redevelopment of the site for affordable housing, will further enhance the area that private developers are working to redevelopment residential areas as well. The site is in an Opportunity Zone. The site complies with the site selection requirements set forth at [[24 CFR § 983.57 | Appendix III of PIH-Notice H2019-09/PIH 2019-23 (HA)]]]. The site is suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, Executive Order 11063, and HUD regulations issued pursuant thereto. In conducting its review of site selection for the proposed project, the PHA completed a review with respect to accessibility for persons with disabilities and the proposed site is consistent with disabilities and the proposed site is consistent with applicable accessibility standards under the Fair Housing Act, Section 504, and the ADA.

RAD was designed by HUD to assist in addressing the capital needs of public housing by providing Murfreesboro Housing Authority with access to private sources of capital to repair/redevelop and preserve its affordable housing assets. Please be aware that upon conversion, the Authority's Capital Fund Budget will be eliminated as part of the Demonstration, and that Murfreesboro Housing Authority may also borrow funds to address their capital needs. The Murfreesboro Housing Authority will also be contributing 2022 capital funds in the amount of approximately \$500,000 towards the conversion. Any additional operating funds accumulated or received by the Authority prior to the conversion will also be invested in the conversion. This is being done because there will no public housing left after the conversion.

Resident Rights, Participation, Waiting List and Grievance Procedures

A. PBRA Resident Rights and Participation.

- 1. No Rescreening of Tenants upon Conversion.** Pursuant to the RAD Statute, at conversion, current households cannot be excluded from occupancy at the Covered Project based on any rescreening, income eligibility, or income targeting. With respect to occupancy in the Covered Project, current households in the Converting Project will be grandfathered for application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion.¹ Post-conversion, the tenure of all residents of the Covered Project is protected pursuant to PBRA requirements regarding continued occupancy unless explicitly modified in this Notice (e.g., rent phase-in provisions). For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, the first clause of section 8(c)(4) of the Act and 24 CFR § 880.603(b), concerning determination of eligibility and selection of tenants for initial occupancy, will not apply for current households. Once the grandfathered household moves out, the unit must be leased to an eligible family. Further, so as to facilitate the right to return to the assisted property, this provision shall apply to current public housing residents of the Converting Project that will reside in non-RAD PBV units or non-RAD PBRA units placed in a project that contain RAD PBV units or RAD PBRA units. Such families and such contract units will otherwise be subject to all requirements of the applicable program, specifically 24 CFR § 983 for non-RAD PBV units and the PBRA requirements governing the applicable contract for non-RAD PBRA units.²
- 2. Right to Return.** See section 1.4.A.5(ii) and the RAD Fair Housing, Civil Rights, and Relocation Notice regarding a resident's right to return.
- 3. Phase-in of Tenant Rent Increases.** If a resident's monthly rent increases by more than the greater of 10 percent or \$25 purely as a result of conversion, the rent increase will be phased in over 3 years or 5 years. Eligibility for the phase-in is to be determined at the Initial Certification which occurs at the time the household is converted to PBRA. A phase-in must not be applied after the household's Initial Certification. To implement the phase-in, HUD is specifying alternative requirements for section 3(a)(1) of the Act, as well as 24 CFR § 880.201 (definition of "total tenant payment" (TTP)) to the extent necessary to allow for the phase-in of tenant rent increases. A PHA must create a policy setting the length of the phase-in period at three years, five years, or a combination depending on circumstances. For example, a PHA may create a policy that uses a three-year phase-in for smaller increases in rent and a five year phase-in for larger increases in rent. This policy must be in place at conversion and may not be modified after conversion.

¹ These protections (as well as all protections in this Notice for current households) apply when a household is relocated to facilitate repairs following conversion and subsequently returns to the Covered Project, even if they are considered a "new admission" upon return.

² For non-RAD PBV households, applicable program requirements include the requirement that any admission to the project must be initially eligible for a HAP payment at admission to the program, which means their TTP may not exceed the gross rent for the unit at that time.

The method described below explains the set percentage-based phase-in a Project Owner must follow according to the phase-in period established. For purposes of this section “Calculated Multifamily TTP” refers to the TTP calculated in accordance with regulations at 24 CFR § 5.628 (not capped at Gross Rent) and the “most recently paid TTP” refers to the TTP recorded on the family’s most recent HUD Form 50059. If a family in a project converting from Public Housing to PBRA was paying a flat rent immediately prior to conversion, the PHA should use the flat rent amount to calculate the phase-in amount for Year 1, as illustrated below.

Three Year Phase-in:

- Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion – 33% of difference between most recently paid TTP or flat rent and the Calculated Multifamily TTP
- Year 2: Year 2 Annual Recertification (AR) and any Interim Recertification (IR) in prior to Year 3 AR – 50% of difference between most recently paid TTP and Calculated Multifamily TTP
- Year 3: Year 3 AR and all subsequent recertifications – Year 3 AR and any IR in Year 3: Full Calculated Multifamily TTP³

Five Year Phase-in:

- Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion – 20% of difference between most recently paid TTP or flat rent and the Calculated Multifamily TTP
- Year 2: Year 2 AR and any IR prior to Year 3 AR – 25% of difference between most recently paid TTP and Calculated Multifamily TTP
- Year 3: Year 3 AR and any IR prior to Year 4 AR – 33% of difference between most recently paid TTP and Calculated Multifamily TTP
- Year 4: Year 4 AR and any IR prior to Year 5 AR – 50% of difference between most recently paid TTP and Calculated Multifamily TTP
- Year 5 AR and all subsequent recertifications – Full Calculated Multifamily TTP

Please Note: In either the three-year phase-in or the five-year phase-in, once Calculated Multifamily TTP is equal to or less than the previous TTP, the phase-in ends and tenants will pay full Calculated Multifamily TTP from that point forward

³ For example, where a resident’s most recently paid TTP is \$100, but the Calculated PBV TTP is \$200 and remains \$200 for the period of the resident’s occupancy, (i.e. no changes in income) the resident would continue to pay the same rent and utilities for which it was responsible prior to conversion. At the first recertification following conversion, the resident’s contribution would increase by 33% of \$100 to \$133. At the second AR, the resident’s contribution would increase by 50% of the \$66 differential to the standard TTP, increasing to \$166. At the third AR, the resident’s contribution would increase to \$200 and the resident would continue to pay the Calculated PBV TTP for the duration of their tenancy.

4. **Resident Participation and Funding.** Residents of Covered Projects with assistance converted to PBRA will have the right to establish and operate a resident organization in accordance with 24 CFR part 245 (Tenant Participation in Multifamily Housing Projects). In addition, in accordance with Attachment 1B, residents will be eligible for resident participation funding.
5. **Resident Procedural Rights.** The information provided below must be included as part of the House Rules for the associated project and the House Rules must be furnished to HUD as part of the Financing Plan submission. See Attachment 1E for a sample Addendum to the House Rules.
 - i. **Termination Notification.** HUD is incorporating additional termination notification requirements to comply with section 6 of the Act for public housing projects converting assistance under RAD, that supplement notification requirements in regulations at 24 CFR § 880.607 and the Multifamily HUD Model Lease.
 - a. **Termination of Tenancy and Assistance.** The termination procedure for RAD conversions to PBRA will additionally require that Project Owners provide adequate written notice of termination of the lease which shall be:
 - i. A reasonable period of time, but not to exceed 30 days:
 - o If the health or safety of other tenants, Project Owner employees, or persons residing in the immediate vicinity of the premises is threatened; or
 - o In the event of any drug-related or violent criminal activity or any felony conviction;
 - ii. Not less than 14 days in the case of nonpayment of rent; and
 - iii. Not less than 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.
 - b. **Termination of Assistance.** In all other cases, the requirements at 24 CFR § 880.603, the Multifamily HUD Model Lease, and any other HUD multifamily administrative guidance shall apply.
 - ii. **Grievance Process.** Pursuant to requirements in the RAD Statute, HUD is establishing additional resident procedural rights to comply with section 6 of the Act. In addition to program rules that require that tenants are given notice of covered actions under 24 CFR part 245 (including increases in rent, conversions of a project from project-paid utilities to tenant-paid utilities, or a reduction in tenant paid utility allowances), HUD requires that:
 - a. Residents be provided with notice of the specific grounds of the Project Owner's proposed adverse action, as well as their right to an informal hearing with the Project Owner;
 - b. Residents have an opportunity for an informal hearing with an impartial member of the Project Owner's staff within a reasonable period of time;
 - c. Residents have the opportunity to be represented by another person of their choice, to ask questions of witnesses, have others make statements at the hearing, and to examine any regulations and any evidence relied upon by the Project Owner as the basis for the adverse action. With reasonable notice to the

- Project Owner, prior to hearing and at the residents' own cost, residents may copy any documents or records related to the proposed adverse action; and
- d. Project Owners provide the resident with a written decision within a reasonable period of time stating the grounds for the adverse action and the evidence the Project Owner relied on as the basis for the adverse action.

The Project Owner will be bound by decisions from these hearings, except if (x) the hearing concerns a matter that exceeds the authority of the impartial party conducting the hearing, or (y) the decision is contrary to HUD regulations or requirements, or otherwise contrary to federal, State, or local law. If the Project Owner determines that it is not bound by a hearing decision, the Project Owner must promptly notify the resident of this determination, and of the reasons for the determination.

6. **Earned Income Disregard (EID).** Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID exclusion after conversion, in accordance with regulations at 24 CFR § 960.255. After conversion, no other tenants will be eligible to receive the EID. If a tenant receiving the EID exclusion undergoes a break in employment, ceases to use the EID exclusion, or the EID exclusion expires in accordance with 24 CFR § 960.255, the tenant will no longer receive the EID exclusion and the Owner will no longer be subject to the provisions of 24 CFR § 960.255. Furthermore, tenants whose EID ceases or expires after conversion shall not be subject to the rent phase-in provision, as described in Section 1.7.B.3; instead, the rent will automatically be adjusted to the appropriate rent level based upon tenant income at that time.
7. **When Total Tenant Payment Exceeds Gross Rent.** Under the PBRA program, assisted families typically pay 30% of adjusted gross income toward rent and utilities, referred to as TTP. Under normal PBRA rules, a Project Owner must process a termination of assistance pursuant to section 8-5 C. of Housing Handbook 4350.3, REV-1 when the family's TTP has risen to a level that is equal to or greater than the contract rent, plus any utility allowance, for the unit (i.e., the Gross Rent)). In addition, section 8-6 A.1 provides that, when terminating a tenant's assistance, the owner is to increase the tenant rent to the contract rent (assuming that the tenant does not receive the benefit of any other type of subsidy).

For residents living in the Converting Project on the date of conversion and all new admissions to the Covered Project thereafter, when TTP equals or exceeds the contract rent plus any utility allowance, the Project Owner must charge a tenant rent equal to the lesser of (a) TTP (which is not capped at gross rent), less the utility allowance in the contract, or (b) any applicable maximum rent allowable under LIHTC regulations.⁴ To this end, HUD is waiving sections 8-5 C. and 8-6 A. 1. of Housing Handbook 4350.3, REV-1. In such cases, the tenant will still be considered a Section 8 tenant and will still have the rights and

⁴ For example, a public housing family residing in a property converting under RAD has a TTP of \$600. The property has an initial Contract Rent of \$500, with a \$50 Utility Allowance. Following conversion, the residents is still responsible for paying \$600 in tenant rent and utilities. Accordingly, the Project Owner must charge this resident \$550, i.e., \$600 TTP, minus \$50 Utility Allowance.

be subject to the requirements of Section 8 tenants. Tenants will retain all of the rights under the Model Lease, including the right to occupy the unit, as well as those provided through this Notice, and tenants will still be subject to the requirements for Section 8 tenants, including the requirements concerning reexamination of family income and composition found in 24 CFR §§ 5.657 and 880.603(c). When TTP equals or exceeds Gross Rent, the excess rent collected by the owner is considered project funds and must be used for project purposes. Assistance may subsequently be reinstated if the Tenant becomes eligible for assistance. In the event that the tenant moves out, the Project Owner must select an applicant from the waiting list who meets the applicable income limits for the project.

The Project Owner is not required to process these individuals through Multifamily Housing's Tenant Rental Assistance Certification System (TRACS) but may be required to do so in the future when a future revision of the TRACS can accept such certifications. All normal actions for the contract rent shall continue for these units, including application of the OCAF adjustment to the contract rent indicated in the HAP Contract—since the OCAF adjusted rent will still be in effect whenever the unit is occupied by a family eligible for rental assistance.

8. **Under-occupied Units.** If at the time of conversion, an eligible family assisted under the HAP Contract is occupying a unit that is larger than appropriate because of the family's composition, the family may remain in the unit until an appropriate-sized unit becomes available in the Covered Project. When an appropriate sized unit becomes available in the Covered Project, the family living in the under-occupied unit must move to the appropriate-sized within a reasonable period of time. In order to allow the family to remain in the under-occupied unit until an appropriately sized unit becomes available in the Covered Project, HUD is waiving the portion of 24 CFR § 880.605 that assumes the unit has become under-occupied as the result of a change in family size.

B. PBRA: Other Miscellaneous Provisions.

1. **Access to Records, Including Requests for Information Related to Evaluation of Demonstration.** PHAs and the Project Owner must cooperate with any reasonable HUD request for data to support program evaluation, including but not limited to project financial statements, operating data, Choice-Mobility utilization, and rehabilitation work.
2. **Davis-Bacon prevailing wages and Section 3 of the Housing and Urban Development Act of 1968 (Section 3).** This section has been moved to 1.4.A.13 and 1.4.A.14.
3. **Establishment of Waiting List.** The Project Owner can utilize a project-specific or community waiting list. The PHA shall consider the best means to transition applicants from the current public housing waiting list, including:
 - i. Transferring an existing site-based waiting list to a new site-based waiting list.
 - ii. Transferring an existing site-based waiting list to a PBRA program-wide or HCV program-wide waiting list.
 - iii. Transferring an existing community-wide public housing waiting list to a PBRA program-wide or HCV program-wide waiting list, an option particularly relevant for PHAs converting their entire portfolio under RAD.

- iv. Informing applicants on a community-wide public housing waiting list how to transfer their application to one or more newly created site-based waiting lists.

To the extent the wait list relies on the date and time of application, the applicants shall have priority on the wait list(s) to which their application was transferred in accordance with the date and time of their application to the original waiting list.

If the PHA is transferring assistance to another neighborhood and, as a result of the transfer of the waiting list, the applicant would only be eligible for a unit in a location which is materially different from the location to which the applicant applied, the PHA must notify applicants on the wait-list of the transfer of assistance, and on how they can apply for residency at other sites.

If using a site-based waiting list, PHAs shall establish a waiting list in accordance with 24 CFR § 903.7(b)(2)(ii)-(iv) to ensure that applicants on the PHA's public housing community-wide waiting list have been offered placement on the Covered Project's initial waiting list. In all cases, PHAs have the discretion to determine the most appropriate means of informing applicants on the public housing community-wide waiting list given the number of applicants, PHA resources, and admissions requirements of the projects being converted under RAD. A PHA may consider contacting every applicant on the public housing waiting list via direct mailing; advertising the availability of housing to the population that is less likely to apply, both minority and non-minority groups, through various forms of media (e.g., radio stations, posters, newspapers) within the marketing area; informing local non-profit entities and advocacy groups (e.g., disability rights groups); and conducting other outreach as appropriate. Any activities to contact applicants on the public housing waiting list must be conducted in accordance with the requirements for effective communication with persons with disabilities at 24 CFR § 8.6 and with the obligation to provide meaningful access for persons with limited English proficiency (LEP).⁵

A Project Owner must maintain any site-based waiting list in accordance with all applicable civil rights and fair housing laws and regulations unless the project is covered by a remedial order or agreement that specifies the type of waiting list and other waiting list policies.

To implement this provision, HUD is specifying alternative requirements for 24 CFR § 880.603 regarding selection and admission of assisted tenants. However, after the initial waiting list has been established, the Project Owner shall administer its waiting list for the Covered Project in accordance with 24 CFR § 880.603.

- 4. Mandatory Insurance Coverage.** The Covered Project shall maintain at all times commercially available property and liability insurance to protect the project from

financial loss and, to the extent insurance proceeds permit, promptly restore, reconstruct, and/or repair any damaged or destroyed property of a project.

5. Choice-Mobility. HUD seeks to provide all residents of Covered Projects with viable Choice-Mobility options. PHAs that are applying to convert the assistance of a project to PBRA are required to provide a Choice-Mobility option to residents of Covered Projects in accordance with the following:⁶

- i. *Resident Eligibility.* Residents have a right to move with tenant-based rental assistance (e.g., Housing Choice Voucher (HCV)) the later of: (a) 24 months from date of execution of the HAP or (b) 24 months after the move-in date.
- ii. *Voucher Inventory Turnover Cap.* Recognizing the limitation on the availability of turnover vouchers from year to year, a voucher agency would not be required, in any year, to provide more than one-third of its turnover vouchers to the residents of Covered Projects. While a voucher agency is not required to establish a voucher inventory turnover cap, if such a cap is implemented the voucher agency must create and maintain a waiting list in the order in which the requests from eligible households were received.
- iii. *Project Turnover Cap.* Also recognizing the limited availability of turnover vouchers and the importance of managing turnover in the best interests of the property, in any year, a PHA may limit the number of Choice-Mobility moves exercised by eligible households to 15 percent of the assisted units in the project. (For example, if the project has 100 assisted units, the PHA could limit the number of families exercising Choice-Mobility to 15 in any year, but not to less than 15.) While a voucher agency is not required to establish a project turnover cap, if such a cap is implemented the voucher agency must create and maintain a waiting list in the order in which the requests from eligible households were received.

HUD's goal is to have all residents in the Demonstration offered a Choice-Mobility option within a reasonable time after conversion. However, as HUD recognizes that not all PHAs will have vouchers sufficient to support this effort, HUD will take the following actions:

- Provide voucher agencies that make such a commitment bonus points provided under the Section Eight Management Assessment Program (SEMAP) for deconcentration.⁷
- Grant a good-cause exemption from the Choice-Mobility requirement for no more than 10 percent of units in the Demonstration. HUD will consider requests for good-cause exemptions only from the following types of PHAs:
 - Public housing-only agencies, defined as agencies that own units under a public housing ACC, but do not administer, directly or through an affiliate, a Housing Choice Voucher program; or

⁶ The Choice-Mobility requirements that apply to covered PBRA projects differ from the requirements that apply to covered PBV projects.

⁷ The sponsoring agency must commit to the full term of the initial HAP Contract, must undergo a significant amendment to its Annual Plan (no later than 60 days after execution of the project's CHAP), and must comply with section 8(o)(6)(A) relating to selection preferences. In order to implement this incentive, HUD is waiving provisions under 24 CFR § 985.3(h) to provide donating agencies with bonus points under the SEMAP for deconcentration.

- Combined agencies that currently have more than one-third of their turnover vouchers set aside for veterans, as defined for the purpose of HUD-VASH, or homeless populations, as defined in 24 CFR § 91.5.⁸ To be eligible for this exemption, the PHA's admission policies must have been formally approved by the PHA's board prior to the time of application.
- 6. **Future Refinancing.** Project Owners must receive HUD approval for any refinancing or restructuring of secured debt during the HAP Contract term to ensure the financing is consistent with long-term preservation of the Covered Project. With respect to any financing contemplated at the time of conversion (including any permanent financing which is a conversion or take-out of construction financing), such consent may be evidenced through the RCC.
- 7. **Submission of Year-End Financial Statements.** Projects converting assistance to PBRA must comply with 24 CFR part 5, subpart H, as amended, revised, or modified by HUD.⁹
- 8. **Classification of Converting Projects as Pre-1981 Act Projects under Section 16(c) of the United States Housing Act of 1937.** For purposes of ensuring maximum flexibility in converting to PBRA, all projects converting to PBRA shall be treated as Pre-1981 Act Projects under Section 16(c) of the Act. Section 16(c)(1), which applies to pre-1981 Act projects, restricts occupancy by families that are other than very low-income to 25% of overall occupancy. Thus, Project Owners of projects converting to PBRA may admit applicants with incomes up to the low-income limit. HUD Headquarters tracks the 25% restriction on a nationwide basis. Project Owners of projects converting to PBRA do not need to request an exception to admit low-income families. In order to implement this provision, HUD is specifying alternative requirements for section 16(c)(2) of the Act and 24 CFR § 5.653(d)(2) to require Project Owners of projects converting to PBRA to adhere to the requirements of section 16(c)(1) of the Act and 24 CFR § 5.653(d)(1).
- 9. **Owner-Adopted Preferences.** Project Owners may adopt a preference for elderly single
- 10. persons pursuant to 24 CFR § 5.655(c)(5) and Housing Handbook 4350.3, Chapter 4, provided the adoption of such preference can be implemented consistent with the residents' right of return under this Notice. Project Owners who wish to adopt a preference for populations that are not identified in 24 CFR § 5.655(c)(5) (e.g., elderly families, near-elderly single persons, near-elderly families), may do so pursuant to Housing Notice 2013-21 (July 25, 2013). A Project Owner may not adopt a preference that would have the purpose or effect of substantially delaying or denying the participation of other eligible families in the program on the basis of race, color, national origin, religion, sex, disability, or familial status, or would create or perpetuate segregation

⁸ A veteran is, for the purpose of HUD-VASH, a person who served in the active military, naval, or air service, and who was discharged or released under conditions other than dishonorable and is eligible for Veterans Administration health care.

⁹ This provision is included to clarify existing requirements for PHAs that own PBRA-assisted projects through Single Asset Entities. Such owners are considered reporting entities under 24 CFR § 5.801 (a)(3) and (a)(4).

**Subject: Relocation Requirements under the Rental Assistance Demonstration (RAD)
Program, Public Housing in the First Component**

1. Purpose

This Notice provides public housing agencies (PHAs)¹ and their partners with information and resources on applicable program and relocation assistance requirements when planning for or implementing resident moves as a result of a **Rental Assistance Demonstration (RAD)** conversion² under the first component of the demonstration.³ This Notice provides guidance on RAD relocation requirements and requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (URA), as they relate to the public housing conversion process under the first component.⁴

¹ This Notice always uses the term "PHA" to refer to the owner of the project prior to and after the RAD conversion, even though, in some cases, the owner of the converted RAD project may be another public entity, a non-profit organization, or other owner (e.g., low-income housing tax credit owner). In addition, this Notice uses "PHA" to refer to the "displacing agency," a URA term that means the agency or person that carries out a program or project, which will cause a resident to become a displaced person. Projects vary and, for any specific task described in this Notice, may require substituting in a reference to a party that is more appropriate for a specific project.

² The content of this Notice should not be relied upon in carrying out any other activities funded under any other HUD program, except where specifically directed by HUD.

³ The "first component" of RAD allows public housing and Moderate Rehabilitation properties to convert assistance; the "second component" refers to conversion of Rent Supplement, Rental Assistance Payment, and Moderate Rehabilitation properties upon contract expiration or termination.

⁴ Relocation concerns and URA requirements apply to both components of RAD. This notice provides guidance only as to the first component.

Relocation assistance provided pursuant to public housing and RAD requirements is broader than URA relocation assistance requirements. Not all specific situations requiring relocation under RAD may trigger URA assistance requirements. In addition, whereas all qualifying residents⁵ of a converting public housing project are eligible for relocation assistance under RAD, some residents or household members may not meet the statutory and regulatory requirements for eligibility under URA. This Notice supersedes PIH Notice 2012-32 (HA), REV-1, with respect to relocation matters. This Notice also specifically addresses when relocation may begin (see Section 9 below). As necessary, the Department will issue additional guidance on relocation issues and requirements as they relate to RAD.

2. Background

RAD allows public housing properties to convert assistance to long-term project-based Section 8 contracts. In many cases, a RAD project may require relocation of residents when properties undergo repairs, are demolished and rebuilt, or when the assistance is transferred to another site. PIH Notice 2012-32 REV-1 (see also FR Notice 5630-N-05, 78 FR 39759-39763 (July 2, 2013)) details RAD program requirements.

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (URA) is a federal law that establishes minimum standards for federally-funded programs and projects that include the acquisition of real property (real estate) and/or displace persons from their homes, businesses, or farms as a result of acquisition, rehabilitation, or demolition of real property.⁶ The URA will apply to acquisitions of real property and relocation of persons from real property that occurs as a direct result of acquisition, rehabilitation, or demolition for a project that involves conversion of assistance to Project-Based Voucher (PBV) or Project-Based Rental Assistance (PBRA) programs under RAD.

Additionally, all relocation conducted as part of a RAD conversion and all relocation assistance provided under URA must be consistent with applicable fair housing and civil rights laws, including, but not limited to, the Fair Housing Act, Title VI of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973.

Because each RAD proposal varies in its scope, this Notice may not address each PHA's specific circumstances. RAD PHAs and participants should carefully review the regulations, notices, and guidance material referenced in this Notice. Any questions related to the applicability of these requirements should be referred to the RAD Transaction Managers (TM) or may be emailed to rad@hud.gov.

3. Applicable Legal Authorities

⁵The term "resident" as used in this Notice refers to eligible resident families of public housing residing in a property applying for participation in RAD or a property that undergoes a conversion of assistance through RAD.

4. **Relocation Planning**

If there is a possibility that residents will be relocated as a result of acquisition, demolition, or rehabilitation for a project converting under RAD, PHAs must undertake a planning process in conformance with URA in order to minimize the adverse impact of relocation (49 CFR 24.205(a)).

While a written Relocation Plan is not a requirement under RAD or URA, the Department strongly encourages PHAs to prepare a written Relocation Plan, both to establish their relocation process and to communicate this process consistently and effectively to all relevant stakeholders. Appendix 1 contains recommended elements of a Relocation Plan.

The following presents a general sequencing of relocation planning activities within the RAD milestones:

1. Prior to submission of RAD application	<ul style="list-style-type: none"> • Determine potential need for relocation • Meet with residents to discuss plans, communicate right to return, and solicit feedback • Provide <i>General Information Notice</i> (GIN) to residents • Survey residents to prepare Relocation Plan and relocation process cost estimate
2. After receipt of the Commitment to Enter into a HAP Contract (CHAP) Award	<ul style="list-style-type: none"> • Prepare Significant Amendment to PHA Plan • Assess and refine need for relocation • Develop a Relocation Plan (See Appendix 1 for recommended content) • Identify relocation housing options
3. Preparing Financing Plan (due to RAD Transaction Manager no later than 180 days following	<ul style="list-style-type: none"> • Budget for relocation expenses • Submit FHEO Accessibility & Relocation checklist (PHAs may submit Relocation Plan along with checklist)

Stage	Activities
CHAP award)	
4. Receipt of RAD Conversion Commitment (RCC)	<ul style="list-style-type: none"> • The date of issuance of the HUD RCC marks the date of "Initiation of Negotiations" (ION), as defined in the URA (49 CFR 24.2(a)(15)) • Provide residents with appropriate notice informing them if they will be relocated and any associated relocation assistance • Meet with residents to describe approved conversion plans and discuss required relocation
5. Closing/RAD conversion	<ul style="list-style-type: none"> • Generally, resident relocation should not begin until after the date of closing/conversion of assistance under RAD • PHAs must adhere to notification requirements (described in Paragraph 8 of this Notice): generally, a minimum of 30 days for residents to be temporarily relocated for up to a year, and 90 days for permanent relocation • PHAs seeking to move residents prior to closing must receive prior approval from HUD as described in Paragraph 9 of this Notice

5. Resident Right to Return

RAD program rules prohibit the permanent involuntary relocation of residents as a result of conversion. Residents that are temporarily relocated retain the right to return to the project once it has been completed and is in decent, safe, and sanitary conditions.⁷ The period during which residents may need to be temporarily relocated is determined by the period of rehabilitation or construction, which will be specific to each project.

If proposed plans for a project would preclude a resident from returning to the RAD project, the resident must be given an opportunity to comment and/or object to such plans. If the resident objects to such plans, the PHA must alter the project plans to accommodate the resident in the converted project. If a resident agrees to such plans, the PHA must secure informed, written consent from the resident to receive permanent relocation assistance and payments consistent with URA and acknowledge that acceptance of such assistance terminates the resident's right to return to the project. In obtaining this consent, PHAs must inform residents of their right to return, potential relocation, and temporary and permanent housing options at least 30 days before residents must make a decision. The PHA cannot employ any tactics to pressure residents into

⁷ Where the transfer of assistance to a new site is approved, residents of the converting project will have the right to reside in an assisted unit at the new site once rehabilitation or new construction is complete.

relinquishing their right to return or accepting permanent relocation assistance and payments.⁸ A PHA may not terminate a resident's lease if it fails to obtain this consent.

PHAs must keep documentation of such information provided to residents and such consent by residents. While HUD does not require PHAs to submit documentation of obtaining this consent, PHAs and participants must properly brief residents on their housing and relocation options and must keep auditable written records of such consultation and decisions. HUD may request this documentation during a review of the FHEO Relocation and Accessibility Checklist or if relocation concerns arise.

Examples of project plans that may preclude a resident from returning to the converted RAD project include, but are not limited to:

- Changes in bedroom distribution (i.e. when larger units will be replaced with smaller units such that current residents would become under-housed or when smaller units will be replaced with larger units such that current residents would become over-housed);
- Where a PHA is reducing the number of assisted units at a property by a de minimis amount⁹, but those units are occupied by assisted residents; or
- The reconfiguration of efficiency apartments, or the repurposing of dwelling units in order to facilitate social service delivery.

In all scenarios where residents voluntarily accept permanent relocation to accommodate project plans, these residents are eligible for permanent relocation assistance and payments under URA. If a resident accepts permanent relocation assistance, the resident surrenders his or her right to return to the completed project.

6. Relocation Assistance

Under RAD, relocation assistance may vary depending on the length of time relocation is required.¹⁰

- a. In instances when the PHA anticipates that a resident will be relocated for more than a year, the PHA must offer the resident the choice of:
 - Permanent relocation assistance and payments at URA levels; or
 - Temporary relocation assistance, including temporary housing, while the resident retains his or her right to return and reimbursement for all reasonable out-of-pocket expenses associated with the temporary relocation.

⁸ Persons with disabilities returning to the RAD project may not be turned away or placed on a waiting list due to a lack of accessible units. Their accessibility needs must be accommodated.

⁹ A reduction in total number of assisted units at RAD project of 5% or less. (Section 1.5.B of PIH 2012-32 REV-1)

¹⁰ Some residents may not qualify for relocation assistance under URA. A nonexclusive listing of persons who do not qualify as displaced persons under URA is at 49 CFR 24.2(a)(9)(ii). See also, Paragraph 1-4(J) of HUD Handbook 1378.

The PHA must give the resident no less than 30 days to decide between permanent and temporary relocation assistance. If the resident elects to permanently relocate with assistance at URA levels, the PHA must inform the resident that his or her acceptance of permanent relocation assistance terminates the resident's right to return to the completed RAD project.

- b. In instances when a resident elects temporary relocation assistance and reoccupies a unit in the completed project within one year, the resident need not be offered permanent relocation assistance pursuant to URA.

Great care must be exercised to ensure that residents are treated fairly and equitably. If a resident is required to relocate temporarily in connection with the project, his or her temporarily occupied housing must be decent, safe, and sanitary and the resident must be reimbursed for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation. These expenses include, but are not limited to, moving expenses and increased housing costs during the temporary relocation.

- c. In the event that a resident elects to receive temporary relocation assistance and the temporary relocation exceeds one year, the resident becomes eligible for all permanent relocation assistance and payments under URA. (This assistance would be in addition to any assistance the person has already received for temporary relocation, and may not be reduced by the amount of any temporary relocation assistance.) In such event, the PHA shall give the resident the opportunity to choose to remain temporarily relocated for an agreed-to period (based on new information about when they can return to the completed RAD unit), or choose to permanently relocate with URA assistance.

PHAs may not propose or request that a displaced person waive rights or entitlements to relocation assistance under the URA. If the resident elects to permanently relocate with URA assistance, the PHA must inform the person that the person's acceptance of URA relocation assistance to permanently relocate will terminate the person's right to return to the completed RAD project. Conversely, unless and until the resident elects to be permanently relocated, the resident may remain temporarily relocated with a right to return to the completed project.

7. Initiation of Negotiations (ION) Date

Eligibility for URA relocation assistance is generally effective on the date of initiation of negotiations (ION) (49 CFR 24.2(a)(15)). For RAD projects, the ION date is the date of the issuance of the RAD Conversion Commitment (RCC).

8. Resident Notification

When a project converting under RAD will include relocation of residents, notice must be provided to those resident households. For each notice listed below, one notice shall be given to each resident household. The purpose of these notifications is to ensure that residents are

informed of their potential rights and the relocation assistance available to them. During initial meetings with residents about RAD and in subsequent communications with residents related to relocation, the PHA should inform residents that if they choose to move after receiving a written GIN, but prior to receiving a RAD Notice of Relocation, they may jeopardize their eligibility for relocation assistance. However, PHAs should note that a resident move undertaken as a direct result of the project may still require relocation assistance and the resident may be eligible to receive permanent relocation assistance under the URA even though the PHA has not yet issued notices.

a. *General Information Notice* (49 CFR 24.203(a) & Handbook 1378, Paragraph 2-3(B))

As soon as feasible in the planning process, the PHA must provide each resident with a written GIN (see sample in Appendix 2) to provide a general description of the project, the activities planned, and the relocation assistance that may become available. URA regulations state that the GIN should be provided *as soon as feasible*. Under RAD, PHAs must provide GINs during the initial RAD resident meetings, before submitting a RAD application. GINs must do at least the following:

- Inform the resident that he or she may be displaced for the project and generally describe the relocation payment(s) for which the resident may be eligible, the basic conditions of eligibility, and the procedures for obtaining the payment(s);
- Inform the resident that he or she will be given reasonable relocation advisory services, including referrals to replacement properties, help in filing payment claims, and other necessary assistance to help the resident successfully relocate;
- Inform the resident that, if he or she qualifies for relocation assistance as a displaced person under the URA, he or she will not be required to move without at least 90 days advance written notice, and inform any person to be displaced from a dwelling that he or she cannot be required to move permanently unless at least one comparable replacement dwelling has been made available;
- Inform the resident that any person who is an alien not lawfully present in the United States is ineligible for relocation advisory services and relocation payments, unless such ineligibility would result in exceptional and extremely unusual hardship to a qualifying spouse, parent, or child (see 49 CFR 24.208(h) for additional information); and
- Describe the resident's right to appeal the PHA's determination as to a person's eligibility for URA assistance.

b. *RAD Notice of Relocation*

If a resident will be relocated to facilitate the RAD conversion, the PHA shall provide notice of such relocation (RAD Notice of Relocation). The PHA shall issue this notice upon the PHA's receipt of the RCC from HUD, which is the ION date.

If residents will not be relocated, notice of relocation is not required, but the PHA should

notify them that they are not being relocated.¹¹

The RAD Notice of Relocation must conform to the following requirements:

- The notice must state the anticipated duration of the resident's relocation.
- PHAs must provide this notice a minimum of 30 days prior to relocation to residents who will be temporarily relocated.¹² Longer notice may be appropriate for persons who will be relocated for an extended period of time (over 6 months), or if necessary due to personal needs or circumstances.
- Residents whose temporary relocation is anticipated to exceed one year must be informed that they will have no less than 30 days to elect temporary or permanent relocation as described in Section 6 of this Notice. When timing is critical for project completion, the 30-day decision period can run concurrently with the 30-day notice period for temporary relocation and with the 90-day period for permanent relocation if the PHA makes available comparable replacement dwellings consistent with 24.204(a).
- Residents who will be permanently relocated must receive written notice a minimum of 90 days prior to relocation. This 90-day time period may only begin once the PHA has made available at least one comparable replacement dwelling consistent with 49 CFR 24.204(a).¹³
- The notice must describe the available relocation assistance, the estimated amount of assistance based on the individual circumstances and needs, and the procedures for obtaining the assistance. The notice must be specific to the resident and his or her situation so that the resident will have a clear understanding of the type and amount of payments and/or other assistance the resident household may be entitled to claim.
- The notice must explain the reasonable terms and conditions under which the resident may continue to lease and occupy a unit in the completed project.
- The notice must state that the PHA will reimburse the resident for all reasonable out-of-pocket expenses incurred in connection with any temporary move. These expenses include, but are not limited to, moving expenses and increased housing costs (rent, utilities, etc.).

c. Notice of Intent to Acquire (49 CFR 24.203(d))

¹¹ HUD policy generally requires a "notice of non-displacement" in certain instances; the RAD program does not require this notice. Although the scope of this notice is limited to guidance for projects requiring relocation, PHAs should note, however, that there may be notification requirements for projects that do not involve relocation. The RAD conversion will terminate the resident's public housing lease and commence a PBV or PBRA lease, even when there is no relocation required. In such instances, state law may impose certain notification requirements. In addition, public housing regulations generally require 30 days' notice prior to lease termination. PHAs are encouraged to review public housing requirements set forth in 24 CFR parts 5 and 966.

¹² HUD may approve shorter notice periods based on an urgent need due to danger, health, or safety issues or if the person will be temporarily relocated for only a short period.

¹³ PHAs should note that URA regulations also require, where possible, that three or more comparable replacement dwellings be made available before a resident is required to move from his or her unit.

For RAD projects involving acquisition, residents may be provided with a notice of intent to acquire ("*Notice of Intent to Acquire*") prior to the ION date with HUD's prior approval. Once the Notice of Intent to Acquire is provided, a resident's eligibility for relocation assistance and payments is established. Therefore, the RAD Notice of Relocation must be provided in conjunction with or after the Notice of Intent to Acquire. A RAD Notice of Relocation would not otherwise be sent prior to the ION date.

Since residents who accept permanent relocation must receive 90 days advanced written notice prior to being required to move, providing residents the Notice of Intent to Acquire and RAD Notice of Relocation prior to the ION date may be necessary to provide sufficient notice of relocation to a resident in instances where there may not be 90 days between the issuance of the RCC (ION date) and the anticipated closing date. This allows the PHA to issue the notice earlier so that relocation may begin upon closing. This allows program participants to conduct orderly relocation upon closing, minimize adverse impacts on displaced persons, and to expedite project advancement and completion.¹⁴

- d. *URA Notice of Relocation Eligibility – for residents whose temporary relocation exceeds one year (49 CFR 24.203(b) & Handbook 1378, Paragraph 2-3(C))*

After a resident has been temporarily relocated for one year, the PHA must provide a notice of relocation eligibility in accordance with URA requirements ("*Notice of Relocation Eligibility*"). This notice is not required if the resident has already accepted permanent relocation assistance.

The Notice of Relocation Eligibility must conform to URA requirements as set forth in 49 CFR Part 24, to HUD Handbook 1378 and to the following requirements:

- The PHA must provide updated information as to when it is anticipated that the resident will be able to return to the completed project.
- The resident may choose to remain temporarily relocated based upon such updated information or may choose to accept permanent URA relocation assistance in lieu of exercising the right to return.
- If the resident chooses to accept permanent URA relocation assistance and such assistance requires that the resident move, the URA requires such resident to receive 90 days advance written notice of the earliest date they will be required to move (i.e., 90-Day Notice, 49 CFR 24.203(c)). The PHA should be mindful that the 90-day time period may only begin once the PHA has made available at least one "comparable replacement dwellings" as set forth in 49 CFR 24.204(a).

9. Initiation of Relocation

¹⁴ PHAs and program participants should note that, in most instances, it will be most appropriate for the acquiring entity to send this notice.

Unless otherwise approved by HUD, relocation may not begin until the date of closing of the RAD transaction and recordation of the RAD Use Agreement. PHAs must provide residents being temporarily relocated at least 30 days advance written notice of the required move. PHAs must give residents being permanently relocated at least 90 days advance written notice of the required move. This means PHAs are advised to plan carefully to account for this 30-day or 90-day notice period to ensure the closing is not delayed.

However, HUD is aware that, in rare cases, some project plans necessitate relocation prior to closing. With prior HUD approval, for projects involving acquisition, PHAs may relocate residents prior to the closing date subject to public housing requirements (see 24 CFR part 5 and 24 CFR 966). PHAs must contact their assigned RAD transaction manager (TM) to discuss plans as early as possible in the process to ensure compliance with all RAD and URA requirements.

If relocation prior to closing is desired, PHAs should submit to the TM the following information, as early as possible in the process:

- A written request for relocation prior to closing. The request must include justification of why the early relocation is necessary for the viability of the RAD transaction. Justification may include the presence of outside financing, such as Low Income Housing Tax Credit (LIHTC) awards, if the PHA can show that early relocation is necessary to meet critical LIHTC deadlines.
- FHEO Accessibility and Relocation Checklist.
- Evidence of intent to comply with public housing requirements, as applicable. Generally, public housing regulations require public housing residents to receive 30 days' notice prior to relocation and that such notice either be published in the PHA's admissions and continued occupancy policies (ACOP) or published elsewhere at least 30 days prior to receipt of such notice (24 CFR parts 5 and 966).

When seeking to relocate residents prior to closing, submission of this request as early as possible is preferred, prior to the 180-day Financing Plan milestone if possible (with Financing Plan submission following the request).

HUD reserves the right to request additional follow-up information, including a Relocation Plan and related budget, prior to approving such requests. PHAs must receive written HUD approval before beginning relocation of residents prior to closing.

Early planning and submission of the Financing Plan and FHEO checklist to HUD will ensure the PHA has built in the 30- or 90-day notice period prior to initiating relocation.

10. Fair Housing and Civil Rights Requirements

PHAs must comply with all applicable fair housing and civil rights laws, including, but not limited to, the Fair Housing Act, Title VI of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973, when conducting relocation planning and providing relocation assistance. Further, communication must be provided in a manner that is effective for persons

with disabilities (24 CFR 8.6) and for person who are Limited English Proficient (see 72 FR 2732). This section discusses some of the PHA's obligations under these laws and regulations. However, the applicability of civil rights laws is not limited to the activities discussed in this section. PHAs conducting relocation activities should familiarize themselves with applicable civil rights statutes, regulations, and guidance, including but not limited to, those listed at the end of this section.

- **Effective Communication for Persons with Disabilities:** Communications and materials must be provided in a manner that is effective for persons with hearing, visual, and other communication-related disabilities consistent with Section 504 of the Rehabilitation Act of 1973 (24 CFR 8.6), and as applicable, the Americans with Disabilities Act; and for persons who are limited English proficient (*see* 72 Fed Reg 2732). This includes ensuring that training materials are in appropriate alternative formats as needed, e.g., Braille, audio, large type, assistive listening devices, and sign language interpreters.
- **Accessible Meeting Facilities for Persons with Disabilities:** When holding public meetings, PHAs must give priority to methods that provide physical access to individuals with disabilities, i.e., holding the meetings, workshops, and briefings or any other type of meeting in an accessible location, in accordance with the regulations implementing Section 504 of the Rehabilitation Act of 1973 and Titles II and III of the Americans with Disabilities Act of 1990, as applicable. All programs and activities must be held in accessible locations unless doing so would result in an undue financial and administrative burden, in which case the PHA must take any action that would not result in such an alteration or such burden but would nevertheless ensure that individuals with disabilities receive the benefits and services of the program or activity, e.g., briefings at an alternate accessible, in-home briefing. Individuals with disabilities must receive services in the most integrated setting appropriate to their needs. The most integrated setting appropriate to the needs of qualified individuals with disabilities is a setting that enables individuals with disabilities to interact with nondisabled person to the fullest extent possible (28 CFR part 35, appendix B).
- **Meaningful Access for Persons with Limited English Proficiency (LEP):** PHAs must provide meaningful access to programs and activities for persons who have a limited ability to read, speak, or understand English. Any person with LEP who will be temporarily relocated or permanently displaced must have meaningful access to any public meetings regarding the project. In addition, any information provided to residents including, but not limited to, any notices required under the URA, should be provided in the appropriate language to persons with LEP. Generally, PHAs will be responsible for providing oral interpreters at meetings, including ensuring their competence, and covering any associated translation and interpretation costs.
- **URA requires that PHAs provide persons who are unable to read or understand the notices,** such as persons with disabilities or persons with LEP, with appropriate translation and counseling to ensure that they understand their rights and responsibilities and the assistance available to them (49 CFR 24.5). URA also requires that each notice indicate the name and telephone number of a person to contact with questions or for other

needed help (49 CFR 24.5). This notice should include the number for the telecommunication device for the deaf (TDD) or other appropriate communication device, if applicable (24 CFR 8.6(a)(2)).

- **Comparable Housing for Persons with Disabilities:** PHAs should identify the accessibility needs of residents to be relocated by consulting existing information (e.g., tenant characteristics forms, including identification of the need for accessible unit features; records of approved reasonable accommodations, and records of the presence of accessible unit features). For guidance on providing relocation assistance to persons with disabilities, see Exhibit 3-1 in HUD Handbook 1378.
- **Advisory Services:** PHAs should determine the advisory services that will be necessary to ensure a successful relocation program consistent with 49 CFR 24.205(c). Such advisory services may include housing counseling that should be facilitated to ensure that residents affected by the project understand their rights and responsibilities and the assistance available to them (49 CFR 24.205(c)). Advisory counseling must also inform residents of their fair housing rights and be carried out in a manner that satisfies the requirements of Title VI of the Civil Rights Act of 1964, the Fair Housing Act, and Executive Order 11063 (49 CFR 24.205(c)(1)). In addition, PHAs should inform residents that if they believe they have experienced unlawful discrimination, they may contact HUD at 1-800669-9777 (Voice) or 1-800-927-9275 (TDD) or at <http://www.hud.gov>.

11. Other Requirements

a. Public Housing Program Compliance

PHAs should note that public housing resident provisions related to occupancy and termination, including grievances and related hearings, will remain in effect until the execution of the new PBV or PBRA Housing Assistance Payment (HAP) contract.

b. Evictions for Cause

If the PHA determines that a resident was evicted in accordance with applicable state and local law for serious or repeated violation of material terms of the lease, and the eviction was not undertaken for the purpose of evading the obligation to make available URA payments and other assistance, the resident is not entitled to relocation payments and assistance under the URA (49 CFR 24.206).

Appendix 1: RECOMMENDED RELOCATION PLAN CONTENTS

While written Relocation Plans are not required under RAD or URA, the Department strongly encourages PHAs to document their relocation planning process and procedures in a written Relocation Plan. The following provides suggested content for Relocation Plans.

I. Project Summary

The Relocation Plan should provide a general description of and purpose for the project (e.g., year built, location, number of units, configuration, occupancy information, and funding sources).

The basic components of a plan include:

- A general description of the project and the site, including acquisition, demolition, rehabilitation, and construction activities and funding sources;
- A detailed discussion of the specific steps to be taken to minimize the adverse impacts of relocation, including when transferring the assistance to a new site;
- Information on occupancy (including the number of residents, residential owner-occupants and non-residential occupants, if any, to be permanently or temporarily relocated);
- Information on relocation needs and costs (including the number of residents who plan to relocate with Section 8 assistance);
- General moving assistance information;
- Temporary move assistance (including information on the duration of temporary moves);
- Permanent move assistance; and
- Appeals process.

II. Resident Return and Re-occupancy Policies

For residents that will be temporarily relocated, the plan should include the criteria that will be used to determine the priority for residents to re-occupy units at the project after rehabilitation, demolition, and/or construction is completed. For example, if units will come online in stages, the plan should outline how the PHA will determine when each resident will return to the project. PHAs should ensure that any written return or re-occupancy policy is compliant with related RAD requirements, such as the right-to-return policy and the “no re-screening upon conversion” policy, as described in the RAD Notice.

III. Summary of Moving Costs

The plan should include a summary of moving costs, identified by move types, including the following:

Temporary Moves

- Number of and cost amount for two-way moves (i.e., a move to another unit and then a return move) within the same building/complex.
- Number of and cost amount for two-way moves to a unit not in the same building/complex, carried out by the PHA.
- Number of and cost amount for two-way moves to a unit not in the same building/complex not carried out by the PHA.

Permanent Moves

- Number of and cost amount for one-time moves into another unit in the same building/complex.¹⁵
- Number of and cost amount for one permanent move to a unit not within the same building/complex, carried out by the PHA.

PHAs should note that if a residential move is carried out by the PHA at no cost to the resident, this per-household estimate must include the required dislocation allowance (currently \$100). The URA Fixed Residential Moving Cost Schedule lists the most current dislocation allowance:

http://www.fhwa.dot.gov/real_estate/practitioners/uniform_act/relocation/moving_cost_schedule.cfm

- Number of and cost amount for one permanent move to a unit not within the same building/complex that is not carried out by the PHA.

IV. Temporary Relocation Assistance

The PHA will assist residents who are required to move temporarily. At the Initiation of Negotiations (ION), the PHA will send a RAD Notice of Relocation to residents who will be relocated. Appendices 3 and 4 of this Notice contain sample RAD Notices of Relocation to be provided to residents that will be temporarily relocated.

The plan should detail the temporary relocation assistance the PHA will provide for residents (Paragraph 2-7 of HUD Handbook 1378). This assistance includes:

- Temporary Housing - The PHA will provide temporary housing that is decent, safe, and sanitary on a nondiscriminatory basis for residents who are relocated temporarily. The PHA will also pay for reasonable increased housing costs that the resident incurs in connection with the temporary relocation.

NOTE: If a resident's relocation exceeds one year, the PHA must then issue a *Notice of Relocation Eligibility* (49 CFR 24.203(b)) to the resident and offer the resident permanent

¹⁵ A resident who moved to another unit in the same building/complex may be considered a displaced person under URA if the resident moves from the building/complex permanently and was not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move within the same building/complex and/or if other conditions of the move within the building/complex were not reasonable.

relocation assistance and payments at URA levels. The PHA must provide this notice to affected residents as soon as the temporary relocation exceeds one year.

- **Packing and Moving Assistance** - Since most residents prefer to pack their own personal possessions and items of value, they should be provided packing instructions, boxes, markers, and tape for the move. If assistance in packing is needed, the PHA should provide the resident with information on how to request this assistance. The PHA is responsible for covering all reasonable moving expenses incurred in connection with temporarily relocating a resident. The PHA may reimburse the resident's out-of-pocket moving expenses and/or directly carry out the move.
- **Payment for Temporary Relocation Moving Expenses** - The plan should also indicate how the PHA intends to provide or reimburse for moving services and expenses. The PHA can choose to do one or more of the following:
 - Undertake the moves itself, using force account labor or a moving company; – Use PHA's contractor or moving company;
 - Carry out moves with employees of the PHA;
 - Reimburse residents for all actual and reasonable moving costs.

NOTE: The PHA will not make fixed payments since such payments may not be representative of actual reasonable costs incurred. However, in order for a resident to be sure of full reimbursement, the resident should submit a moving cost estimate to the PHA for approval prior to the move unless the PHA is directly carrying out the move and the resident will not incur any reasonable out-of-pocket moving expenses. Failure to do so may result in the resident not being fully reimbursed.

- **Utility Costs** - The PHA is responsible for covering the expenses relating to disconnection and reconnection of necessary utilities. If the resident has telephone, cable service or Internet access, the PHA is responsible for covering the expenses involved in transferring existing service. The PHA may also pay utility deposits, if required at the temporary relocation housing (HUD Handbook 1378, paragraph 2-7(A)(3)). If a resident is temporarily relocating from a public housing unit to a non-public housing unit, the resident must be reimbursed for reasonable increases in utility costs even if the PHA utility allowance is lower than the actual costs to the resident.

V. Permanent Relocation Assistance

Based on the local housing resources available, the PHA should identify the replacement housing options that will be available to meet the housing needs of residents to be permanently relocated. Replacement housing options for residents that meet the definition of a "displaced person" (49 CFR 24.2(a)(9)) under the URA include, but are not limited to:

- Other Public Housing;
- Section 8 Project-Based Voucher unit;
- Section 8 Housing Choice Voucher unit;
- Homeownership housing;

- Private-market rental housing (affordable, non-subsidized).¹⁶

The plan should describe each type of replacement housing projected to be available, including:

1. Number of units, by bedroom size, expected to be available, and discussion of whether available units will meet dwelling requirements of relocated residents;
2. General area or location of unit(s);
3. Criteria for receiving relocation assistance; and
4. Any other information that might benefit residents in their consideration of housing choices.

The plan should include a description of the permanent relocation assistance the PHA will provide to residents. This assistance includes:

- Availability of Comparable Replacement Housing – Under URA, no displaced resident will be required to move unless at least one comparable replacement dwelling (49 CFR 24.2(a)(6)) is made available at least 90 days before the required move (49 CFR 24.203(c)). Comparable replacement dwellings must contain the accessibility features needed by displaced persons with disabilities (49 CFR 24.2(a)(8)(vii); 49 CFR part 24, Appendix A, §24.2(a)(8)(vii)). If the comparable replacement dwelling is not subsidized housing, the PHA should contact the RAD staff for advice on replacement housing payment requirements.
- Referral to Housing Not Located in an Area of Minority Concentration - Whenever possible, minority persons shall be given reasonable opportunities to relocate to decent, safe, and sanitary replacement dwellings that are within their financial means and not located in areas of minority concentration (49 CFR 24.205(c)(2)(ii)(D)). However, this policy does not require a PHA to provide a person a larger payment than is necessary to enable a person to relocate to a comparable replacement dwelling unit.
- Permanent Relocation Moving Expenses from Public Housing to Public Housing - The PHA may choose one of the following options for covering the expenses involved in moving public housing residents that are relocated into other public housing:
 - Undertake the move itself, using force account labor or a moving company. Residents should incur no moving costs under this option, but if such expenses are incurred, the PHA is responsible for reimbursing the resident for any such actual and reasonable expenses. In such case, the resident is also entitled to a dislocation allowance (currently \$100). The URA Fixed Residential Moving Cost Schedule lists the current dislocation allowance and is available at:
http://www.fhwa.dot.gov/real_estate/practitioners/uniform_act/relocation/moving_cost_schedule.cfm

¹⁶ Every effort should be made to find another subsidized unit as replacement housing for a resident relocating from subsidized housing so that the resident will continue receiving the housing subsidy as long as it is needed.

NOTE: Residents who prefer to pack their own personal possessions and items of value may be provided packing instructions, boxes, markers, and tape for their move. If a resident needs assistance in packing, they should contact the PHA. It is the responsibility of the PHA to pack and move all of their belongings and household goods, if so desired.

☐ Allow the resident to elect one of the following choices:

- 1) The PHA will reimburse the resident for the cost of all actual reasonable and necessary moving and related expenses (49 CFR 24.301), such as:
 - Transportation of the resident and personal property. This may include reimbursement at the current mileage rate for personally owned vehicles that need to be moved. Transportation costs for a distance beyond 50 miles are not eligible, unless the PHA determines that relocation beyond 50 miles is justified.
 - Packing, crating, uncrating, and unpacking of personal property.
 - Storage of personal property for a period not to exceed 12 months, unless the PHA determines that a longer period is necessary.
 - Disconnecting, dismantling, removing, reassembling, and reinstalling relocated household appliances and other personal property.
 - Insurance for the replacement value of the property in connection with the move and necessary storage.
 - The replacement value of property lost, stolen, or damaged in the process of moving (not through the fault or negligence of the displaced person, his or her agent, or employee) where insurance covering such loss, theft, or damage is not reasonably available.

- 2) The PHA will pay directly to the resident the applicable and current fixed moving cost payment according to the URA Fixed Residential Moving Cost Schedule (49 CFR 24.302), available at:
[http://www.fhwa.dot.gov/real estate/practitioners/uniform act/relocation/moving cost schedule.cfm](http://www.fhwa.dot.gov/real%20estate/practitioners/uniform%20act/relocation/moving%20cost%20schedule.cfm)

☐ Permanent Relocation Moving Expenses for All Other Moves – Under URA, residents who are permanently displaced, except for those residents displaced from public housing and moving to other public housing, are entitled to the assistance described in the brochure *Relocation Assistance To Residents Displaced From Their Homes*, available in English at http://portal.hud.gov/hudportal/documents/huddoc?id=DOC_16280.doc and in Spanish at http://portal.hud.gov/hudportal/documents/huddoc?id=DOC_16281.doc. Residents may choose moving assistance from one of the following two options.

- 1) The PHA will reimburse the resident for the cost of all actual reasonable moving and related expenses (49 CFR 24.301).
- 2) The PHA will pay directly to the resident the applicable and current fixed moving cost payment according to the URA Fixed Residential Moving Cost Schedule (49

CFR 24.302), available at:

[http://www.fhwa.dot.gov/real estate/practitioners/uniform act/relocation/moving cost schedule.cfm](http://www.fhwa.dot.gov/real%20estate/practitioners/uniform%20act/relocation/moving%20cost%20schedule.cfm).

- **Replacement Housing Payment** - In addition to covering moving expenses, displaced residents may be entitled to a replacement housing payment (RHP). This payment is intended to cover the increase, if any, in monthly housing costs for a 42-month period.

When calculating the RHP, the PHA must consider the comparable replacement housing unit offered to the resident. Since the PHA is not required to pay an RHP amount that exceeds the amount of RHP calculated for the offered comparable replacement dwelling, residents are cautioned to work closely with the PHA prior to their move.

- **Accessible Housing for Persons with Disabilities** - Under the URA, persons with disabilities who will be permanently displaced must be relocated to a replacement dwelling that contains the accessibility features they need (49 CFR 24.2(a)(8)(vii); 49 CFR Appendix A, 24.2(a)(8)(vii)). A person with disabilities who has been relocated must be offered a comparable replacement dwelling unit that contains accessible features comparable to the housing from which the tenant has been displaced or relocated. This is so even if the tenant has paid for the acquisition and/or installation of accessible features in the housing from which he or she has been relocated; in such instances, the recipient must ensure that the replacement housing contains comparable accessible features or provide relocation assistance to the tenant in an amount that covers the cost of acquiring and/or installing comparable accessible features. Under the URA, an agency may use project funds to remove architectural barriers for displaced owners and tenants with disabilities or take other last resort housing measures if comparable replacement dwelling units are not available within the monetary limits prescribed under the URA regulations (49 CFR 24.404(c)(vii); HUD Handbook 1378, Paragraph 3-8).

VI. Relocation Budget

Based on the results of the planning process, the PHA should create a relocation budget that includes the following six components:

- 1) The cost of administering the plan and providing assistance and counseling.
- 2) Reasonable moving expenses for a person with disabilities, which may include the cost of moving assistive equipment that is the personal property of the residents, the furnishings and personal belonging of a live-in aide, and/or other reasonable accommodations (HUD Handbook 1378, Paragraph 3-2).
- 3) The cost of the physical move of the residents' belongings. (It is suggested that the move costs be broken down by average cost per move type multiplied by the number of moves.)

NOTE: This physical move cost total should be based on the move scenarios anticipated

or projected by the resident survey.

- 4) The cost estimated to pay for projected increases in monthly housing costs for temporary relocation.
- 5) The cost estimated to pay for the replacement housing payment (RHP) (42-month period for URA or 60-month period if section 104(d) applies).
- 6) Contingency costs estimated for carrying out the relocation process necessary to complete the proposed project. (The PHA should state where these costs are indicated in the application, or attach any other information required by HUD, to support these costs.)

VII. Appeal Process

If a resident disagrees with the PHA's decision as to the resident's eligibility to receive relocation assistance, the amount of a relocation payment, or the adequacy of a comparable replacement dwelling offered to a resident, the resident may file a written appeal to the PHA. The Relocation Plan should describe the specific appeal procedures to be followed consistent with 49 CFR 24.10 (and 24 CFR 42.390 if section 104(d) is involved). At a minimum, the resident will have 60 days to file an appeal with the PHA after receiving written notification of a claim or ineligibility determination.

VIII. Certification

The plan should contain a certification of compliance with the URA and, if applicable, section 104(d).

Technical Assistance

The PHA should direct questions on this Notice's relocation assistance requirements to their RAD Transaction Manager or [email rad@hud.gov](mailto:rad@hud.gov).

PHA LETTERHEAD

RENTAL ASSISTANCE DEMONSTRATION (RAD) GENERAL INFORMATION NOTICE (GIN)

[Date]

Dear [Resident Name],

The property you currently occupy is being proposed for participation in the Department of Housing and Urban Development's (HUD) Rental Assistance Demonstration (RAD) program. At this time, we expect that [the proposed acquisition, rehabilitation or demolition, may require you to be relocated (temporarily or permanently) from your unit]. We will provide further details to you as plans develop. **This notice does not mean that you need to leave the property at this time. This is not a notice of eligibility for relocation assistance.** The remainder of this letter only applies to situations where you will need to be relocated from your unit.

This notice serves to inform you of your potential rights under the RAD program and a federal law known as the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). If the proposed RAD project receives HUD approval and if you are displaced permanently as a result, you may become eligible for relocation assistance and payments under the URA, including:

- 1) Relocation advisory services that include referrals to replacement properties, help in filing payment claims and other necessary assistance to help you successfully relocate;
- 2) At least 90 days' advance written notice of the date you will be required to move;
- 3) Payment for moving expenses; and
- 4) Payments to enable you to rent a similar replacement home.

NOTE: Aliens not lawfully present in the United States are not eligible for URA relocation assistance, unless such ineligibility would result in exceptional and extremely unusual hardship to a qualifying spouse, parent, or child as defined at 49 CFR 24.208(h). All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an immigrant lawfully present in the United States.

As a resident of a property participating in RAD, you have the right to return to the project after the project is complete. You will be able to lease and occupy a unit in the converted project when rehabilitation is complete.

If you are permanently displaced from your home, you will not be required to move until you are given at least 90-day advance written notice of any required move and at least one comparable replacement dwelling has been made available to you. If you are temporarily relocated and your temporary relocation lasts more than one year, you will be contacted and offered permanent relocation assistance as a displaced person under the URA. This assistance would be in addition

to any assistance you may receive in connection with temporary relocation and will not be reduced by the amount of any temporary relocation assistance you have already received.

If you are required to relocate from the property in the future, you will be informed in writing. [PHA] will inform you of what assistance and payments you are eligible for if you will be relocated because of RAD and how you will receive these payments. If you become a displaced person, you will be provided reasonable assistance necessary to complete and file any required claim to receive a relocation payment. If you feel that your eligibility for assistance is not properly considered, you will also have the right to appeal a determination on your eligibility for relocation assistance.

You should continue to pay your rent and meet any other requirements specified in your lease. If you fail to do so, [PHA] may have cause for your eviction. If you choose to move, or if you are evicted, prior to receiving a formal notice of relocation eligibility, you may become ineligible to receive relocation assistance. It is very important for you to contact us before making any moving plans.

You will be contacted soon so that we can provide you with more information about the proposed project. If the project is approved, we will make every effort to accommodate your needs. In the meantime, if you have any questions about our plans, please contact: [Name, Title, Address, Phone, Email Address]. This letter is important to you and should be retained.

Sincerely,

In order for PHA to complete the project, you will need to be relocated for [anticipated duration of relocation]. Upon completion of the project, you will be able to lease and occupy your present unit or another decent, safe and sanitary unit in the completed project under reasonable terms and conditions. You are eligible for relocation assistance and payments. Because we expect your relocation to exceed one year, you have the choice to either:

- Receive temporary relocation assistance and return to a unit in the RAD project once it is complete; or
- Receive permanent relocation assistance and payments consistent with the URA instead of returning to the completed RAD project.

You must inform us of your choice within 30 days.

However, **you do not need to move now.** If you choose temporary relocation assistance, you will not be required to move sooner than 30 days after you receive notice that a temporary unit is available for you. If you choose permanent relocation assistance, you will not be required to move sooner than 90 days after you receive written notice that at least one comparable replacement unit is available to you in accordance with 49 CFR 24.204(a). *[Note to PHA: These time periods may start running as of the date of this Notice if the notice of relocation includes such information on the temporary and/or comparable replacement dwelling options, as applicable. In such circumstance, add applicable sentences to adequately notify the resident. For example: This notice informs you that a temporary unit, listed below, has been made available to you and, if you choose this option, you will be required to move by [date no sooner than 30 days after notice]. This notice informs you*

that a comparable unit, listed below, has been made available to you and, if you choose this option, you will be required to move by *[date no sooner than 90 days after notice]*.

If you choose temporary relocation, your relocation exceeds one year and you qualify as a "displaced person" under the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA), you may become eligible for further relocation assistance and payments under URA.

NOTE: Aliens not lawfully present in the United States are not eligible for URA relocation assistance, unless such ineligibility would result in exceptional and extremely unusual hardship to a qualifying spouse, parent, or child as defined at 49 CFR 24.208(h). All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.

If you choose to receive temporary relocation assistance, this assistance will include:

- Payment for Moving Expenses. You are entitled to be reimbursed for all reasonable out-of-pocket expenses incurred in connection with any temporary move. *[PHA should list the form of payment for moving expenses selected in accordance with Appendix 1, Section 4 of this Notice.]*
- The location of your temporary replacement unit is *[address]*. This temporary housing has been determined to be decent, safe and sanitary.
- *[List appropriate relocation advisory services and any other services and assistance provided.]*

If you elect to receive permanent relocation assistance, this assistance will include:

- Relocation Advisory Services. You are entitled to receive current and continuing information on available comparable replacement units and other assistance to help you find another home and prepare to move.
- Payment for Moving Expenses. *[PHA should list the form of payment for moving expenses selected in accordance with Appendix 1, Section 5 of this Notice.]*
- Replacement Housing Payment. You may be eligible for a replacement housing payment to rent or buy a replacement home. The payment is based on several factors including: (1) the monthly rent and cost of utility services for a comparable replacement unit, (2) the monthly rent and cost of utility services for your present unit, and (3) 30% of your average monthly gross household income. This payment is calculated on the difference between the old and new housing costs for a one-month period and multiplied by 42.
- *[PHA: list here any permanent relocation assistance offered, such as a Housing Choice Voucher.]*

- ☐ Listed below are three comparable replacement units that you may wish to consider for your replacement home. If you would like, we can arrange transportation for you to inspect these and other replacement units.

3.			

We believe that the unit located at [address] is most representative of your original unit in the converting RAD project. The monthly rent and the estimated average monthly cost of utilities for this unit is [\$ amount] and it will be used to calculate your maximum replacement housing payment. Please contact us immediately if you believe this unit is not comparable to your original unit. We can explain our basis for selecting this unit as most representative of your original unit and discuss your concerns.

Based on the information you have provided about your income and the rent and utilities you now pay, you may be eligible for a maximum replacement housing payment of approximately [\$ (42 x monthly amount)], if you rent the unit identified above as the most comparable to your current home or rent another unit of equal cost.

Replacement housing payments are not adjusted to reflect future rent increases or changes in income. This is the maximum amount that you would be eligible to receive. If you rent a decent, safe and sanitary home where the monthly rent and average estimated utility costs are less than the comparable unit, your replacement housing payment will be based on the actual cost of that unit. All replacement housing payments must be paid in installments. Your payment will be paid in [#] installments.

You may choose to purchase (rather than rent) a decent, safe and sanitary replacement home. If you do, you would be eligible for a down-payment assistance payment which is equal to your maximum replacement housing payment, [\$amount.] *[PHAs should note that, at the agency's discretion, a down-payment assistance payment that is less than \$5,250 may be increased to any amount not to exceed \$5,250. (See 49 CFR 24.402(c)(1)).]* Let us know if you are interested in purchasing a replacement home and we will help you locate such housing.

Please note that all replacement housing must be inspected in order to ensure it is decent, safe and sanitary before any replacement housing payments are made.

If you have any questions about this notice and your eligibility for relocation assistance and payments, please contact [Name, Title, Address, Phone, Email Address] before you make any moving plans. He/she will assist you with your move to a new home and help ensure that you preserve your eligibility for all relocation payments to which you may be entitled.

Remember, do not move or commit to the purchase or lease of a replacement home before we have a chance to further discuss your eligibility for relocation assistance. This letter is important to you and should be retained.

Appendix 5: SAMPLE NOTICE OF ELIGIBILITY FOR URA RELOCATION ASSISTANCE (For residents who have been temporarily relocated for more than a year)

***THIS IS A GUIDE FORM.
IT SHOULD BE REVISED TO REFLECT THE CIRCUMSTANCES.***

PHA Letterhead

(date)

Dear [Resident]:

The property you formerly occupied at [address] is participating in the Department of Housing and Urban Development's (HUD) Rental Assistance Demonstration (RAD) program. You have been temporarily relocated from that property since [date.] Your temporary relocation has exceeded one year.

It has been determined that you qualify as a "displaced person" according to the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). You are eligible for relocation assistance and payments under the URA.

You may choose to remain temporarily relocated and return to a unit in the RAD project once it is completed. It is currently estimated that you may return to the RAD project by [date]. If you choose to remain temporarily relocated, you will stay at your current location until the RAD project is completed.

Alternatively, you may choose permanent relocation assistance and payments for which you are eligible, as listed below. If you choose permanent relocation assistance, you give up your right to return to the completed RAD project. However, **you do not need to move now.** If you choose permanent relocation assistance instead of exercising your right to return to the completed RAD project, you will not be required to move sooner than 90 days from the date that at least one comparable replacement unit has been made available to you. [Alternatively: You will not be required to move sooner than 90 days from the date of this notice, which informs you of a comparable replacement unit that has been made available for you].

This is your Notice of Eligibility for relocation assistance.

The effective date of your eligibility is [insert date that relocation exceeds one year.]

NOTE: Aliens not lawfully present in the United States are not eligible for URA relocation assistance, unless such ineligibility would result in exceptional and extremely unusual hardship to a qualifying spouse, parent, or child as defined at 49 CFR 24.208(h). All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.

Enclosed is a brochure entitled, "Relocation Assistance to Tenants Displaced From Their Homes." Please read the brochure carefully. It explains your rights and provides additional information on eligibility for relocation payments and what you must do in order to receive these payments.

The relocation assistance to which you are entitled includes:

- Relocation Advisory Services. You are entitled to receive current and continuing information on available comparable replacement units and other assistance to help you find another home and prepare to move.
- Payment for Moving Expenses. *[PHA should list the form of payment for moving expenses selected in accordance with Appendix 1, Section 5 of this Notice.]* This is in addition to any amounts received to reimburse for any reasonable out-of-pocket expenses incurred in connection with the temporary move.
- Replacement Housing Payment. You may be eligible for a replacement housing payment to rent or buy a replacement home. The payment is based on several factors including: (1) the monthly rent and cost of utility services for a comparable replacement unit, (2) the monthly rent and cost of utility services for your present home, and (3) for low-income persons, 30 percent of your average monthly gross household income. This payment is calculated on the difference between the old and new housing costs for a one-month period and multiplied by 42.
- *[PHA list here any other relocation assistance offered the resident, such as Housing Choice Voucher.]*

Listed below are three comparable replacement units that you may wish to consider for your replacement home. If you would like, we can arrange transportation for you to inspect these and other replacement units.

We can explain our basis for selecting this unit as most representative of your original unit and discuss your concerns.

Based on the information you have provided about your income and the rent and utilities you now pay, you may be eligible for a maximum replacement housing payment of approximately \$ [42 x \$Amount], if you rent the unit identified above as the most comparable to your current home or rent another unit of equal cost.
